

## ALL-STATE BAND

For the first fifty-five years of its existence the South Dakota All-State Band consisted of one large ensemble. In 2006, for the first time, the All-State Band was divided into two separate, but equal, smaller ensembles. Each of the smaller All-State ensembles is named after two of South Dakota's most famous historic personalities "Lewis" and "Clark". Each had its own separate concert and had its own conductor. In 2013, the two bands began to share one grand All-State Band concert.

The 2024, there were 648 students who auditioned for All-State Band. From this group, 181 students from 45 high schools were selected for membership in the two 2024 All-State Band ensembles. The two bands were conducted by Dr. Shanti Simon, and Dr. Carolyn Barber.

## CLARK BAND GUEST CONDUCTOR

# Dr. Carolyn A. Barber

Carolyn A. Barber is the Ron and Carol Cope Professor of Music and Director of Bands in the University of Nebraska-Lincoln's Glenn Korff School of Music. She earned a B.M. in horn performance at Northwestern University, an M.M. in horn performance from Yale University, and returned to Northwestern to earn her D.M. in conducting as a student of John P. Paynter and Victor Yampolsky.

Dr. Barber began her career as a lecturer and assistant to the dean of the Northwestern University School of Music. Her duties included teaching advanced conducting and directing the university's 118-piece Concert Band. Prior to her appointment at UNL, Dr. Barber also served as the director of bands at the University of Wisconsin-La Crosse. Apart from her conducting and teaching at UW-L, Dr. Barber also served for five years as the principal horn of the La Crosse Symphony Orchestra.

As director of bands at UNL, her teaching assignment is now a hybrid of traditional academic classes and performance-based courses. This combination provides a rich atmosphere for the cross-pollination

of ideas, techniques, and creative problem solving. Dr. Barber's chief area of research is conducting practice and pedagogy, with emphasis on group dynamics (flocking and influence), and the development of ensembles through improvisation, artistic thinking, and a broad, multidisciplinary array of rehearsal techniques. She has demonstrated and elaborated upon her work at venues including the Midwest Clinic, conferences of the College Band Directors National Association, American String Teachers Association, and the National Association for Music Education, state music educators conventions, district training workshops, and masterclass/rehearsal clinics nationwide.

Dr. Barber has received numerous awards for musical and academic achievement, including the Hixson-Lied College of Fine and Performing Arts Distinguished Teaching Award, a Hixson-Lied Professorship, multiple National Band Association Citations of Excellence, and a United States Navy Good Conduct Medal – an unusual distinction for someone who has never had the honor to serve in the military. Most recently she was named the 2019 Martha Daniel Newell Scholar at Georgia College where she spent a semester developing a course and engaging in research focusing on the creative process. Her writing has been published in the *Journal of Band Research*, and she is a regular contributor to the *Teaching Music Through Performance in Band* reference series. In addition to her scholarly activities, Dr. Barber maintains an active schedule as a guest conductor throughout the United States and Canada. She is a member of Phi Beta Mu Honorary Bandmasters Fraternity, state chair and a member of the College Band Directors
