

ONE-ACT PLAYS

Schools participating in the One-Act Play program are divided into three classes. Class “A” and Class “B” schools initiate competition at the region level. The winners from the region contests advance to the State Festival. The Class “AA” schools automatically qualify for the State Festival. In 2023-24, all schools were allowed to select the genre of their one-act plays. This was the second year that schools were given the option to have their play’s tech (set, lighting, costumes, etc.) judged at the State Festival.
