FOREWORD

This Year Book serves a two fold purpose, it is the Annual Report of your Executive Secretary and does provide each member school with a rather complete history and summary of the Association for the school year of 1956-57. All state wide events of the SDHSAA are accurately summarized and are listed in the order in which they happened.

Many of the member schools have a complete history of the Association from the time of its inception on December 29, 1905. This does not mean that a year book was printed each year since 1905. The first Year Book published was in 1927 and it contains summaries of all events from 1906 up to and including the school year of 1926-27. The second such book was published in 1934, the third in 1940, the fourth in 1942 and the fifth in 1946. Since 1946 a Year Book has been published annually.

Starting in 1953, pictures of all teams and individuals who have participated in or who have won state wide events are shown. There may have been a few teams or individuals whose pictures have been missed but there have been very few.

We sincerely hope you will enjoy this issue of the Year Book and hope that it will be placed on file in each school so that complete histories are available in all member schools.

SDHSAA HISTORY

1956-1957

1956-1957 was a very pleasant year as far as the SDHSAA was concerned. Events were exciting, close and interesting, however winners and losers took all in stride with sportsmanship unmatched. Participation in athletics seems greater than ever before and there is no doubt that the quality of teams and individuals is improved over previous years. In the past we may have had a few better teams and perhaps a few better individuals but never has there been the evenness of competition which speaks highly of the quality of coaching our teams and individuals are receiving.

Each year, local programs improve, this shows interest in and a strong desire by our administrators, for well balanced athletic programs.

In 1956-1957 there seemed to be a trend in football toward increased participation, by this we mean that the number of boys participating in football has increased. The manner in which increased participation is attained is by increasing the number of teams. The number of eleven man teams has remained about the same, the number of six man football teams, has dropped slightly, but this is more than offset by an increased number of eight man football teams.

The number of basketball teams has remained constant, since every member school plays basketball. However, there has been a noticeable increase in the numbers participating, by an increased number of "B" teams and organization teams and intra-mural basketball.

Cross Country, Tennis and Golf showed some gain in the number of schools and the number of individuals participating in these events.

The big growth in competition, however was in Track, while the number of competitors in the State Meet is about the same, the number of individuals participating in the region meets, far exceeded any other year in the long history of the Association.

The various activities of the SDHSAA are briefly mentioned here with summaries of the events to be found on other pages of this Year Book.

The first events of 1956-1957 were the Tennis and Golf Tournaments both of which were held in Sioux Falls on August 3 and 4, 1956. There was a slight increase in numbers over the events of 1955.

Also in August of 1966, the Annual Coaching School was again held in Luro; on August 20-23 inclusive. Attendance remained quite constant with a total of 722 attending all or some part of the school. This total number is quite satisfactory, however, there should be more coaches attending this annual event.

A series of Football Rules Meetings was held in 15 different cities of the state and the total number of coaches, officials, fans and players attending exceeded 1200. For the second year, an assistant handled six of these meetings making it possible to complete most of the meetings before the first big week of football games. Howard Chambers of Washington, handled six of the meetings with your executive secretary handling the remainder. Mr. Chambers will also take six meetings in 1967.

Starting on October 15, a series of 20 Basketball Rules Meetings for officials and coaches were held, total attendance exceeded 1000. Your executive secretary conducted all of the meetings. New emphasis has been placed on Certified Officials and over 600 were certified during 1966-67.

The Regular Biennial Meeting of the SDHSAA was held in Sioux Falls on Thursday, November 1, 1966. Ninety-seven member schools had official delegates at the meeting. There were 4 candidates for president and officers with 162 balloting, 33 per cent and Regulations of the SDHSAA, by mail after the Biennial Meeting. All were defeated so the Rules and Regulations of the SDHSAA will remain unchanged for a two-year period starting July 1, 1967.

The amendments, briefly, were (1) to admit Cathedral High School of Sioux Falls as a member of the SDHSAA; (2) to organize the Transfer Rule, (3) to have early football practice open on the 1st Monday after August 10th; (4) to change the method of determining "A" schools in basketball, and to make basketball and track classified into the same 5 divisions instead of 4 divisions (as is).

There were to be three (3) elected to the Board of Control, 2 for an unexpired term ending July 1, 1968, two candidates to be from schools located in having the population of which were 1000 or under. Supt. D. W. Evans of Kadoka and Supt. Ed Openeauer of Herford were nominated with Mr. Evans the winner by mail ballot. For the second unexpired term, ending July 1, 1961, Supt. E. B. Coeher of Chamberlain and Supt. Wayne Montford of Tripp were nominated with Mr. Coeher the eventual winner. For a regular term to expire on July 1, 1962, Supt. C. H. Helgate of Aberdeen was nominated to succeed himself. There were no other nominations.

Interest in basketball remained high, there was a decrease in attendance at District, Region and Section Tournaments however the demand for tickets to the State "A" and "B" Tournaments for basketball, previous tournaments. Both the tournaments were completely sold out and several thousand dollars was returned to ticket seekers.

For the first time in several years, we, as dirt, rubber, caddy, hand, capped the runners in the State Track Meet. With the competitors, based on previous track meets, mostly in track several years ago, the weather, cold, windy and damp, took care of the records. Considering everything the performances were remarkable—100 boys from 1956 not actually competing in the state meet. One record was broken and that in the Discus Throw.

The second Tennis and Golf Tournament of 1966-67, was held at the time of the State Meet in Mitchell. The number of competitors was greater than in any other year and the event will be held in conjunction with the State Meet in 1968.

EVENTS OF 1966-1967

The Twenty-Ninth Annual Golf and Tennis Tournament was held off in Sioux Falls on August 3 and 4, 1967, with Wally M. Ditch, Athletic Director of Washington High School being the general supervisor of

both tournaments. Don Grebin and Chuck Bailin handled the Tennis Tournament and Ed Livingston, Pro at the Minnehaha Country Club, had charge of the Golf Tournament. Seventeen boys from seven schools took part in either singles or doubles. Six teams played in the doubles tournament. John Simko and Tom Line of Washington High School, defeated the Mitchell team of Don Isaac and Bill Reemstma in the Doubles Finals.

In the Singles Tournament John Simko of Sioux Falls defeated another player from his own High School, Mike Rost, in the finals of the Singles Tournament.

Thirty-six golfers from 15 high schools, teed off in the 1956 Golf Tourney, played on the Minnehaha Country Club Course in Sioux Falls. Eighteen holes of golf were played on the 3rd and the final eighteen holes on the 4th. When the shooting was over, Fred Hecker of Sioux Falls was the winner with a fine score of 141 for the 36 holes. Wes Plummer, also of Sioux Falls was second with 147 and Mike Gibson, also of Sioux Falls, third with 150 strokes.

In team competition, Sioux Falls was the winner with Hecker and Plummer totaling 288 strokes. The Watertown team of Gribbin and Cooley was second with 323 strokes closely followed by Aberdeen's Olson and Wolsky with 328.

1956 COACHING SCHOOL

Aug. 20, 21, 22, 23

Over 200 Coaches attended all or a part of the 1956 Tuition Free Coaching School and were rewarded for their attendance by the fine instructions they received from the excellent staff who handled football, 6 and 8 man football, basketball, training and track.

John Roning, Head Football Coach at Denver University, did a remarkable job of teaching his type of football. His manner of instructing was good. He knew what he wanted to cover and did a masterful job of teaching football. We were fortunate to be able to secure Mr. Roning, a fine, high type gentleman in addition to his ability to instruct.

H. B. "Bebe" Lee, formerly Head Basketball Coach at Colorado, but now starting his first year as Athletic Director at Kansas State, was to the basketball coaches what Mr. Roning was to football coaches. Mr. Lee started entirely different than any other coach who has instructed in basketball. He started with defense and spent a lot of time on this important phase of the game. We feel very fortunate to have had the opportunity of having Mr. Lee on our staff.

Dan Lennon, Track Coach at the University of South Dakota, for the second year did a remarkable job of teaching and demonstrating track and field events. He had several of his squad with him and they demonstrated under his direction. For the second year we believe the track section of the Clinic was "tops" for the school.

R. "Kickapoo" Logan of Los Andles was also a repeater at the school. Mr. Logan not only ably demonstrated many phases of injury care and prevention of injuries, but he is also a natural born entertainer. His sessions were to full houses.

For Six and Eight Man Football we were fortunate to have been able to secure a man from Nebraska who has had outstanding success in both 6 and 8 Man Football. Eugene Pillen of David City, Nebraska was recommended to us by the Nebraska Secretary and he more than lived up to his recommendations. We are deeply indebted to Mr. Pillen.

As per the custom set several years ago, the coaches of our 1956 State Championship Basketball Teams appeared on the Coaching School program. Wally Diehl of Washington High School, Sioux Falls and Ron Freemole of Howard, coaches of the 1956 "A" and "B" championship teams handled their part of the program very capably and we were very much pleased to have them appear.

again the SDHSAA is deeply indebted to Huron groups and individuals in making the school's success. Dr. J. E. Kinn, Dr. N. S. Spence, Wild Truitt and Jim Long of Huron College really took care of all arrangements at the College while the High School staff at Huron made the event even more enjoyable. Special mention should be made of Superintendents Norman, Leinhardt, G. H. Bell and Athletic Director, Clyde Gordon, and special mention should be given Bill Broadway and Ted Johnson representing the City of Huron.

1956 FOOTBALL RULES MEETINGS

Over 100 officials, coaches, players and fans attended the 1956 Football Rules Meetings. As stated previously, Howard Gammara of Vermillion handled six of the 15 meetings and the Executive Secretary attended the other nine meetings. The football season in South Dakota is at best short and by the use of the two men, most meetings were completed on or before the meeting date for football games. We believe coaches and officials are aided more by reviewing the rules before the game is played.

1956 CROSS COUNTRY RUN

October 19, 1956

Sixty runners from 15 different high schools, took off in the Annual Cross Country Run on the college golf course at Brookings. The number was an increase over 1955.

The event was favored by good weather, there was a rather brisk wind but the day was mild. Don Ashbaugh of Clear Lake was the winner of the event in the good time of 15:35. He was followed by Dennis Husking of Rapid City and Leo Red Horse of St. Andrew Indian School.

In the team competition, the Platteville Indian School was first with 17 points but closely passed by Rapid City with 18 points and Winner a good third with 25 points. A complete summary of this and other events will be found on other pages of this Year Book.

1956 BASKETBALL RULES MEETINGS

Starting October 15 your Executive Secretary held 20 Basketball Rules Meetings in 20 different cities of the state. The last meeting was on November 29. All changes in the rules, officiating techniques were explained and discussed and the SDHSAA revised the "Basketball Rules Interpretation" was shown.

Over 1000 coaches, officials, players and fans attended the meetings. There were far more basketball officials attending than ever before.

NATIONAL FEDERATION FOOTBALL RULES MEETINGS

On January 3 and 4, 1957 your Executive Secretary, a member of the High School Rules Committee, attended a meeting of this group in Chicago. A few changes in the rules were made which will be explained at the various meetings starting in August.

Starting with the 1957 football season the Junior Colleges over the country will use the High School Football Rules. They were adopted during 1956 and had representation on the NFJ Football Committee.

At the time of the Football Rules Committee Meeting, there is also a National Meeting for Executive Secretaries and Chairmen and your Executive Secretary led a discussion on "Current Basketball Practices."

BASKETBALL TOURNAMENTS

Again in 1957 the State Basketball Tournaments, exceeded, in attendance, in interest, in action any previous tournaments. It does not seem possible that this could happen, but it did.

The management of the tournaments has improved, which seemed impossible. In both Aberdeen and Huron the management has come up with innovations and new ideas to make it more comfortable for the fans, players, officials and the Board of Control. Like track records, there seems no limits.

Cresbard High School won the "B" Tournament defeating a fine Corona team in the finals. Belle Fourche High School, a team which knew it could win, defeated a very good Washington High School team in the finals of the "A" Tournament. Complete details of the Tournaments will be found on other pages of this Year Book.

NATIONAL BASKETBALL RULES COMMITTEE

For the third year, your Executive Secretary, was appointed by the National Federation's Executive Committee as one of the four representatives from the High Schools on the National Basketball Committee of the United States and Canada. Therefore he attended the meeting of this group in Kansas City on March 24 and 25, 1957.

Several changes in the Basketball Rules were made, all of which have been previously announced and will be thoroughly discussed at the Rules Meetings this fall.

STATE TRACK MEETS

The 50th Annual Track and Field Meet is history, but one new record was set, but weather and not the quality of the contestants was responsible. Despite bad weather the 50th Annual Meet was a wonderful Meet, competition was keen, the times, distances and heights were excellent and the Meet was one of the best.

Despite trying circumstances, Athletic Director A. A. Quintal, charged with the responsibility for making the event run smoothly, did a beautiful job. His staff was organized well and the Meet moved along on schedule. If you could have seen the track at 8:00 a.m. on Friday Morning, you would have wondered how the Meet could be run. It started on time with the track in remarkably good shape.

Washington High School of Sioux Falls, again won the "A" Meet and Yale High School won the "B" Meet.

Complete summaries with pictures will be found on other pages of this Year Book.

1957 GOLF AND TENNIS TOURNAMENTS

The second Golf and Tennis Tournaments to be reported upon in this Year Book, are the 26th Annual which were held in Mitchell on the 17 and 18 of May, at the time of the State Track Meet. The reason for the two tournaments is as follows: The tournaments in August of 1956, in reality were tournaments for the school year 1955-56 and the May tournaments were those belonging to the school year of 1956-57. Both events took place between July 1 of 1956 and June 30 of 1957 therefore must be reported here in.

Since the number competing in the summer events has always been

rather small in the Board's belief in try the tournaments during the school year. The results were satisfactory as far as numbers were concerned, however, the quality of play in both golf and tennis was, perhaps, no less the quality of the 1956 tournament.

Twenty four boys took part in the singles and doubles Tennis Tournament. They represent ten schools, a definite increase over August, 1956 tournament. John Siroko of Sioux Falls was the Singles Tennis Champion for the 411 straight year. He defeated the 1956 state title line in the finals. Siroko and Fine then joined forces and won the Doubles tournament defeating a March team of Jannetzer and Butler in the finals.

Seventeen schools sent 22 golfers to the SDHSAA Golf Tournament and when the event was over Doug Heber of Brookings was the low man with 105 strokes for the 36 holes. Peter Grubbin of Watertown was second with 122. In an competition the Watertown team of Grubbin and Dr. J. Morrison--M. Foley were low with 376 strokes. Mitchell and Aberdeen tied for the second spot in the team competition each scoring 418 strokes. The Mitchell team was composed of Neale and Williamson while Aberdeen was represented by Welsky and Hotoran.

Two golf courses were used. The Mitchell Country Club Course was played on Friday the 12th while the Lakeview Course was used on Saturday.

Complete summaries will be found on other pages of the Year Book.

BOARD OF CONTROL ACTIONS 1956-1957

(1) Officers of the Board of Control for 1956-57 were elected as follows: Supr. E. F. Greenwood, Single's Chairman; Athletic Director A. A. Quistad, Mitton... Vice Chairman and Supr. C. J. Holgate, Aberdeen, Treasurer. Supr. D. W. Evans of Kadoka and Supr. R. B. Coe of Chamberlain were elected as vacancies on the Board of Control and assumed members January 1, 1957.

(2) Changed the dates for the Golf and Tennis Tournaments to coincide with the State Track Meet.

(3) Set dates for 1957 Cross Country Run on October 25, 1956.

(4) Set dates and sites for the 1957 Tournaments "B" at Aberdeen May 6, 7, 8, 1958 and the "A" at Huron on March 13, 14, 15, 1958.

(5) Set dates for 1958 State Track Meet and Tennis and Golf Tournaments May 16, 17, 1958 with Thursday the site of the Meets and Tournaments.

(6) Called a meeting of the 41 "A" schools in basketball to set up sections for 1957-1958 and 1958-1959 as per Rules and Regulations of SDHSAA.

TOURNAMENT RESULTS 1957

On other pages of this "Tournament Bulletin" you will find results of District, Region, Section and State Tournaments, including financial reports. These reports indicate a very healthy interest in basketball in South Dakota and we firmly believe this interest will continue, and it will if we, the school men, in the state keep the game on the high level of sportsmanship that we have enjoyed. We can lose this if there is ever a let-up. There must be constant pressure on our teams, our coaches, our student bodies, and upon our local fans, so that they are constantly kept aware of the fact that inter-school basketball, including tournaments, is but a part of our secondary school program and that it must be conducted with dignity and with honor. There are definite indications that some of our college basketball is not that way and we as high schools should set the example and not be led by those groups supposedly more advanced than we are.

From all reports on our 32 District, 8 Region and 8 Section Tournaments, these events must have been pleasant affairs, we know the State Tournaments were good events and every event of this kind does produce disappointments and heartaches. It is still true that these problems are constantly being faced in real life and surely some value is the result of these setbacks. The players surely learn to "take it" and spectators must also learn.

Tournament management has improved and because of this our tournaments, at all levels, have improved. The management at Huron and Aberdeen, for the State Tournaments, constantly come up with innovations that are passed on to other tournneys. We feel, annually, that the tournaments just completed are the best ever, but knowing the ingenuity and creativeness of those in charge, we know the future tournaments will be better.

In our two State Tournaments, fine teams appeared, each team was soundly coached, each team was physically ready and sportsmanship was at a new high. The personnel on all teams was not equal but those with the better personnel did not have a corner on coaching, sportsmanship, etc. Our Coaches and Administrators are doing excellent jobs.

At the end of each game or tournament there is always a winner, and as all know, the 1957 State "B" and "A" tournaments produced two brand new Champions, Cresbard and Belle Fourche. Neither team had, in the long history of basketball in the state, ever been the Champion and believe me we had two worthy teams to perch atop their Class.

The Cresbard "Comets" the new "B" Champions was a fine team. They had a good big team, they were soundly coached by Frank Filipek and they had the poise necessary for winning the championship. Being behind did not bother them, they just worked a little harder and won. Every team has to have a leader and Cresbard had that boy, although it was the team effort plus bench strength that carried them through to that peak, which is sometimes hard to reach. Our congratulations to Coach Frank Filipek and his "Comets".

As previously stated, when there is a winner there is also a loser and the final victim of Cresbard was a team from Corona, a good rangy team, soundly coached and a team to be reckoned with in the future. Coach Kampen and his "Midgets" were "terrific".

Again our congratulations to the Champion and to each of the other seven teams in the State "B" Tournament.

A new champion was also crowned in the "A" Tournament and that champion was the Belle Fourche "Broncs". If ever a team showed signs of coming to the tournament to win, it was this fine team. The team was adequate in size, very well coached and exhibited a determination and poise seldom seen in tournament play. They really were ready. Too much credit cannot be given this team and their coach, Lou Graslie.

While Belle Fourche is the Champion they had a worthy opponent in their final game in Washington High School of Sikee Falls.

Again our congratulations to Len Braslis and his great team and to the seven other teams in the "A" Tournament.

HISTORY OF BASKETBALL TOURNAMENTS

The SDHSAA was organized in 1903 and from that time until 1912, competition was pretty much limited, on a statewide basis, to track and debate. In 1912, with permission of the SDHSAA, Huron College sponsored a state high school basketball tournament open to all high schools in the State. This tournament was continued annually to 1937, when, at the request of the College, the management was taken over by the Board of Control of the SDHSAA and has been under the supervision and management of the Board since that time. The number of teams in the State Tournament varied until 1924 when eight teams qualified. Since 1924 the State Tournament has been eight team affairs, with exceptions in 1939, 1949 and 1950 when the "A" Tournaments were four team tournaments.

During the 1930's there was agitation for two classes, and in 1936 an "A" and "B" plan was tried. Under this plan the State was divided into 12 districts and the 32 district winners went to eight "A" Regions and the eight Region winners then qualified for the State "A" Tournament. The 32 district winners-up qualified for eight "B" Regions, from which the eight winners qualified for the State "B" Tournament. This plan did not prove popular and was abandoned after the one year trial.

Agitation continued for two classes and in the fall of 1938 an "A" and "B" plan was developed. Under this plan High Schools with an enrollment of 350 and over were classed as "A" schools and all other schools were "B" schools. Under this setup the top schools in the KSD Conference qualified for the "A" Tournament, and the teams in the second division of this Conference played against the other "A" schools to determine the other customers in the eight team State "A" Tournament. "B" teams with outstanding records were allowed a challenge into the "A" class for the right to enter the State "A" Tournament. The first "A" and "B" Tournaments were held in March of 1938.

With adjustments from time to time in the "A" setup, including taking away the right of a "B" school to challenge, and taking away the method of qualifying by being one of the top teams in the KSD Conference, the present plan was adopted for the 1951-1952 season. During the transition from 1950 to 1951, the four largest schools in four geographical areas were classed as "A" schools and 32 out of the four schools, two teams from each section qualified for the State "A" Tournament by a double elimination method.

In 1951 the present plan was started whereby the 32 largest high schools, by ballots, made up the "B" group and eight "A" sections were set up, and the winner of each of the eight section tournaments qualified for the State "A" Tournament. Also part of the present "A" set-up is that, while configurations might change, the teams were determined on the two-year basis, rather than having changes annually in each class.

Since the start in 1938, there has been little change in the "B" set-up, this class continuing with 32 districts and eight regions with the eight region champions qualifying for the State "B" Tournament.

"A" and "B" Tournaments in 1952, 1953, 1954, 1955, 1956 and in 1957 have proven very satisfactory and will be continued.
