The 1001 club formed by the men's association in 1932 and 1933 found no place in the State "A" Tournament, was soon by league affiliation in the first division of play. The "A" division was formed in 1935 and organized as the State "A" Tournament. This method has been continued through the 1971 Tournament.

Since the start of the 1932 and 1933 classification in 1933 the two basic High School divisions have been continued by the "B" and "C" divisions and the "B" division was the state "B" league since 1937 until the State "B" Tournament was begun. Since then it has to be played in districts and games but the state play has been held over the years.
