FOREWORD

This yearbook is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All statewide events in which championships are determined are summarized and listed in the order in which they occurred.

A complete file of yearbooks published gives a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a yearbook has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional yearbooks were published in 1934, 1940, 1942, and 1948. Each covered the activities of more than one year. Since 1948 the yearbook has been an annual publication.

REVIEW OF SDHSAA EVENTS FOR 1973-74

This volume of the yearbook contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1973-74. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-September.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

The past year was the thirteenth that the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The athletic summaries are in the first section of the YEAR BOOK, and the sections on the other activities in the second section of the book.

Even though all activities are directed from a central office, these activities could not be effectively administered without the use of committees made up of the dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly operated without your great help. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank the many persons so efficiently serving on the numerous committees. You have done a great job and again, "Thank you!"

1973-1974 SDHSAA EVENTS

ATHLETIC

1973 COACHING SCHOOL

Des Moines, August 6, 7, 8, 1973

More than 300 coaches registered at the twenty-second Annual Tuition-Free Coaching School. We were again fortunate in having outstanding instructors. "Rennie" Cooper, head football coach at Hurley High School, Sioux City, Iowa and "Milt" Klein, head basketball coach at Augustana College, South Falls, S. D. were very well received. Frank Seydore and Jean Korky, track coaches at the University of Nebraska, presented most valuable information to the track coaches. The wrestling coaches were privileged to listen to and work with "Bob" Siddons, top high school wrestling coach from West High School, Waterloo, Iowa.

We owe our sincere thanks to the South Dakota Chapter of the American College of Surgeons, especially Dr. A. J. Janusz and Dr. H. L. Saylor for arranging and providing the talent for the training portion of our program. "Bob" Williams, Physical Therapist and Athletic Trainer from the University of South Dakota, did an outstanding job in helping the coaches with their problems.

1973 FOOTBALL RULES MEETINGS

The 1973 meetings were held in Aberdeen, Brookings, Chatter, Faith, Huron, Mitchell, Wahkiakum, Philip, Pierre, Sioux Falls, Sturgis, Ver-

million, Wagner, Watertown and Winner. Nearly 1,100 persons attended these meetings. Meetings will be conducted at the same sites in 1974 and will be conducted by Mr. Evans and Mr. Liljeqvist.

1973 BASKETBALL RULES MEETINGS

As for football, the SDSAA has had meetings on rules for basketball coaches, officials and other interested parties, continuously since 1938 with the exception of the World War II years. The 1973 meetings were conducted by D. W. Evans and Clar Liljeqvist in 11 different locations. Meetings were held in Aberdeen, Faith, Hot Springs, Huron, Kadoka, Madison, Mitchell, Moorhead, Pierre, Sioux Falls, Sully, Watertown, Winner and Yankton. 1,168 persons attended the basketball meetings. Meetings will be at the same sites in 1974.

1973 WRESTLING RULES MEETINGS

One clinic and eight rules meetings were held for wrestling coaches, officials, and the public. Frank Kluttenbach, member of the National Federation Wrestling Rules Committee, conducted the clinic at Mitchell. Rules meetings were held at Aberdeen, Mohrville, Pierre, Rapid City, Sioux Falls, Watertown, Winner and Yankton. Over 100 persons attended the clinic. One hundred fifty-three coaches, 125 officials and 117 other interested persons attended the rules meetings. Clar Liljeqvist conducted the rules meetings.

HISTORY OF BASKETBALL TOURNAMENTS

The SDHSAA was organized in 1905 and from that date until 1912 competition was pretty much limited, on a statewide basis, to track and debate. In 1912, with permission of the SDHSAA, Brown College sponsored a state high school basketball tournament open to all high schools in the State. This tournament was conducted annually to 1917, when, at the request of the College, the management was taken over by the Board of Control of the SDHSAA and has been under the supervision and management of the Board since that time. The number of teams in the State Tournament varied until 1925 when eight teams qualified. Since 1924 the State Tournaments have been eight team affairs, with exceptions in 1929, 1948 and 1949 when the "A" Tournaments were four team tournaments.

During the 1920's there was agitation for two classes, and in 1930 an "A" and "B" plan was tried. Under this plan the State was divided into 12 districts and the 32 district winners went to eight "A" Regions, and the eight Region winners then qualified for the State "A" Tournament. The 32 District winners-up qualified for eight "B" Regions, from which the eight winners qualified for the State "B" Tournament. This plan did not prove popular and was abandoned after the one year trial.

Agitation continued for two classes, and in the fall of 1935 an "A" and "B" plan was developed. Under this plan High Schools with an enrollment of 200 and over were classed as "A" schools and all other schools were "B" schools. Under this action the ten schools in the E.S.D. Conference qualified for the "A" Tournament, and the teams in the second division of this Conference played against the other "A" schools to determine the other qualifiers in the eight team State "A" Tournament. "C" teams with outstanding records were allowed to challenge into the "A" class for the right to enter the State "A" Tournament. The first "A" and "B" Tournaments were held in March of 1936.

With adjustments from time to time in the "A" set-up, including taking away the right of a "B" school to challenge, and taking away the method of qualifying by being one of the top teams in the E.S.D. Conference, the present plan was adopted for the 1941-1942 season. During the transition from 1940 to 1941, the four largest sections in four geographical areas were classed as "A" schools and in each of the four sections two teams from each section qualified for the State "A" Tournament by a double elimination match.

In 1951 the present plan was started whereby the 32 largest high schools, by enrollment, made up the "A" group and eight "A" sections were set up, and the winner of each of the eight section tournaments qualified for the State "A" Tournament. Also part of the present "A" set-up is that, while enrollments might change, the teams were determined on the two-year basis, rather than having changes annually in each class.

For the 1961 "A" Tournaments a change was made in the method of qualifying teams to the State "A" Tournament. This change, briefly was as follows: The make up of schools in the "A" Sections was left as it had been in recent years, however a double elimination Section Tournament was played with two teams from each section qualifying for the new "Sub-State" tournaments. Sections 1 and 2 formed Sub-State #1; Sections 3 and 4 formed Sub-State #2; Sections 5 and 6 formed Sub-State #3; and Sections 7 and 8 formed Sub-State #4. This placed four teams in each of the four Sub-State Tournaments and again double elimination tournaments were played with two teams from each Sub-State tournament qualifying for the State "A" Tournament.

The 1961 plan for "A" tournaments was discarded in 1962 and qualification for places in the State "A" Tournament was done by single elimination tournaments in each of eight "A" Sections. The winner of each "A" Section qualified for the State "A" Tournament. This method has been continued through the 1971 Tournaments.

Since the start of the "A" and "B" classification in 1938 there has been little change in the "B" set-up. We have continued to have 22 "B" Districts and 3 "B" Regions with the right "B" Region winners qualifying for the State "B" Tournament. Of course there has had to be changes in districts and regions but the basic plan has been kept over the years.

1978-79 SDMSAA EVENTS
STUDENT COUNCIL CONFERENCES

This year, the new format used at the fall area conferences proved to be a great success. By setting up the conference centers in four sections of the state and holding the conferences during the week, the largest number of students to ever attend the conferences was achieved. The two guest consultants, Dr. Peter White and Nor. Jozak, did an outstanding job working with the students to show them various techniques and methods of communication skills for use in student council activities. The one-day workshops involved the students in many types of activities to help them learn the new skills. A short period of time was also devoted to a Swap Shop for students to exchange projects that had worked in their schools. The students went back to their schools with many new ideas for their student councils.

Music

ALL-STATE CHORUS AND ORCHESTRA

The Sioux Falls Arena was the site for the 1973 All-State Chorus and Orchestra. The statistics for the two day event are as follows:

Chorus Personnel	1972
Schools represented in the Chorus	169
Orchestra Personnel	139
Schools represented in the Orchestra	25

Guest conductor for the chorus was Dr. Joseph A. Mussulman. For the past 10 years he has been teaching at the University of Montana. His duties at the U. of Montana included instructor of courses in music history and literature, with emphasis on American music and 20th Century music. Dr. Mussulman conducts the U. of M. "quintets", New man Choir, campus Catholic parish and a civic male chorus, the Missoula Mendelssohn Club.

Guest conductor for the orchestra was David Holland from St. Scholastica College in Duluth, Minnesota. Mr. Holland has played with the Charleston Symphony and has had special training and experience with the Suzuki method of teaching Violin and Cello.

Competition on the local level determines which students will attend the chorus. Each school may send one or more quartets based on the enrollment of the school. The orchestra members were selected by auditions which included performance and a written test.

The South Dakota Music Educators' Association cooperated with the SDMSAA in planning and operating this All-State event.

ALL-STATE BAND

The 1971 All-State Band was held at Aberdeen's Civic Arena with Col. Arnold D. Gabriel as guest conductor. Local Chairman for the event was E. Orville Everson, Aberdeen Central High School, band director.

This year's band was composed of 189 students from sixty-two high schools. Members of the band were selected by auditions held at 11 audition centers throughout the state. All phases of the All-State event were planned and operated through the cooperation of the South Dakota Bandmasters' Association and the SDMSAA.

Schools represented in this year's band are Rapid City Broncos with eighteen students, followed by Aberdeen Central and Vermillion with eight students each. Waterbury has seven, Arlington, Huron and Yankton with six each, and four schools with five students in the band are DeWitt, Brookings, Madison, and Sioux Falls Lincoln. Clark, Freeman and Lead each have four students in the band. Schools with three or fewer students in the band are: Alcester, Arroyo, Belle Fourche, Britton, Canton, Castlewood, Centerville, Chamberlain, Clear Lake, Cozales, Creighton, De Smet, Elk Point, Eureka, Faulkton, Flanigan Public, Gettysburg, Gregory, Hinton, Hamlin, Hecla, Hillman, Huronville, Hurley, Java, Lake Preston, Lenah, Marion, Mountbank, Miller, Mitchell, Mobridge, Meddell-Northwestern, Pierre, Platte, Rapid City Central, Redfield, Scotland, Sioux Falls Washington, Volga, Sisseton, Spearfish, Sargent, Tripp, Warner, Webster, Westington Springs, Winner.

In the 1971 All-State Band there are 89 seniors, 49 juniors, 11 sophomores, and three freshmen.

The All-State Band had two students who received gold medals for being members of the Band for the past four years. They were Pally Shierler, Minnack and Dave Anderson, Watrous.

REGION MUSIC CONTESTS

The member schools of the SDMSAA are divided into eight regions for conducting music contests. Usually these contests are in the nature of a festival as each individual or group is striving for a rating with no restrictions placed upon the judges as to the number of superior ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1973-74. In seven of the regions, solo and ensemble contests were held in February. Region I, II, III, and V held no large group contest. Region IV held both the solo and ensemble contest and the large group contest on the same week-end in March.

DEBATE

The two-man debate team from Watertown High School won the Class "A" championship at the State Forensic Tournament. Watertown was state champion in 1927. Since 1915, the Debate teams from Watertown have captured every other state championship. This year's team moved through the rounds of debate without a loss. The Watertown team is coached by Douglas Roberts.

The Class "B" Schools, for the first time this year, used the same format for pairing teams as the Class "A" schools use. In this year's tournament, the final round found the two teams from Clear Lake debating one another. This is the first State Championship for Clear Lake, and they have started a record of also winning the runner-up trophy. The Clear Lake teams are coached by Ken Dickerson.

The runner-up trophy in the Class "A" was won by the team from Sioux Falls Lincoln. Carl Swanson is the coach for the Lincoln team.

Fifty-five schools competed in the Association's division elimination contests that lead to the State Forensic Tournament. This included 25 class "A" schools and 30 class "B" schools.

1974 D. C. REUTTER MEMORIAL AWARDS 1974

The Reutter Award was initiated by the Reutter family in cooperation with the South Dakota Speech Association. The awards were established in the memory of the late D. C. (Doc) Reutter who served as director of forensics at Haron High School from 1927 until 1966. He was also instrumental in building the South Dakota Intrastate Forensic program to its present level.

Candidates for the awards are selected on the basis of integrity of ideas, thoroughness of research, ability to communicate ideas in debating, good character, and sportsmanship. In addition to being recognized as an all-state debater, each recipient was awarded a medal.

Two ballots by the high school debaters and coaches determined the award winners. The first was a nominating ballot. In the second, the winners were selected from the finalists.

The four debaters named to receive the D. C. Reutter Award for 1974 are as follows:

Devra Bailin—Sioux Falls Washington
Chris Freitag—Sioux Falls Washington
Roger Heidenreich—Watertown
Kevin Rouse—Sioux Falls Lincoln

Starting July 1, 1937, R. M. Walcott was appointed Executive Secretary of the Association, with office space in the Department of Public Instruction in the Statehouse in Pierre. Because of expansion in the Department of Public Instruction and a consequent lack of space, it was necessary to move the SDEA office. Space was rented in the St. Charles Hotel and the office was moved in January of 1945, where it remained until November 1957. Then it was moved to permanent quarters in the SDEA building at 411 S. Capital Avenue in Pierre.

With the Association changing from an "Athletic Association" to an "Activities Association," it was necessary to add additional help. Mr. D. W. Evans was named Assistant Executive Secretary July 1, 1942, and additional office space was secured in the SDEA building.

Because of the increased activities of the SDHSAA, the Board of Control decided to add another man to the staff and Earl Liljeven, formerly Athletic Director at the Watertown High School, was added to the staff on July 1, 1959. With the addition of Mr. Liljeven, additional office space was necessary and in June of 1960 the offices were moved to the lower level in the SDEA building.

Ralph Wilkinson, former principal at Mobridge High School, assumed the non-athletic duties previously handled by D. W. Evans. Mr. Evans became Executive Secretary of the Association on July 1, 1970 as R. M. "Bugs" Walcott, who so competently directed the affairs of the Association for thirty-three years, retired.
