FOREWORD

This yearbook is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All statewide events in which championships are determined are summarized and listed in the order in which they occurred.

A complete file of yearbooks published gives a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a yearbook has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional yearbooks were published in 1934, 1940, 1942 and 1946. Each covered the activities of more than one year. Since 1946 the yearbook has been an annual publication.

REVIEW OF SDHSAA EVENTS FOR 1979-80

This volume of the YEARBOOK contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1979-80. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-September.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

minutes The past year was the ~~seventeenth~~ that the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The boys' athletic summaries are in the first section of the YEARBOOK, the girls' athletic summaries are in the second section, and the section on the other activities in the third section of the book.

Even though all activities are directed from a central office, these activities could not be effectively administered without the use of committees made up of dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly operated without your great help. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank the many people so efficiently serving on the numerous committees. You have done a great job and again, "Thank you!"

WHAT IS THE ACTIVITIES ASSOCIATION?

Purpose

The purpose of the South Dakota High School Activities Association is to direct and coordinate interscholastic activities carried on by the member high schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

SDHSAA Contribution to Athletics

In the good old days, anybody could play on the high school team, even the coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When game brawls and community feuds made conditions bad enough, school administrators awoke to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

History

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. E. Miller, Superintendent of Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-

balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

Organization

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership, which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least four times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

DISTINGUISHED SERVICE AWARDS

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the State Basketball Tournaments in 1977. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. The awards fall into three categories: Service Through the News Media, Service Through School Programs, and Service Through Community Support.

28th ANNUAL COACHING SCHOOL

Rapid City, August 6, 7, 8

The twenty-eighth Annual Coaching Clinic attendance was down in numbers compared to past clinics with only 234 coaches officially registered from 79 of the 210 member schools. Six (6) High School Coaches from Minnesota were the guest clinicians and each presented an outstanding program. They were: Charles Aydt, girls' gymnastics coach at Robbinsdale High in Minneapolis; Bob Brink, head basketball coach at Rocori High School in Cold Spring and a one time South Dakota coach; Steve Forseth, head track coach at Stillwater High School; Carol Howe, head volleyball coach at Tech High School in St. Cloud; Erv Kallstrom, head wrestling coach in Warren; and Donovan Larson, head football coach at Blaine High School in Blaine.

STUDENT COUNCIL

FALL AREA CONFERENCES

Student Councils from four high schools served as hosts for the one-day Fall Conferences. Through the fine cooperation of the council members from Clark High School, Mobridge High School, Mitchell High School, and the Rapid City High Schools, the Conferences were successful. An increasing number of schools and their council members attended this year's Conferences. Dr. Ron Joekel, Executive Secretary for the Nebraska Student Councils, was the Guest Consultant. He worked with the Conference delegates in small groups, leading them through activities to increase their awareness of how to help student council activities in their schools be a success. Leadership suggestions, group involvement, and a deeper concern for others were the main areas covered.

FOUNDER'S AWARD WINNER

The Founder's Award was presented at this year's Advisers' Luncheon and Business Meeting during the Annual Press Convention.

The award is presented to a publications adviser "for outstanding service to journalism education while serving as adviser to a school publication or teaching the principles of good journalism in a South Dakota high school".

Selection is made by the Journalism Advisory Committee through open nominations by any South Dakota high school newspaper or year book adviser or journalism instructor.

The 1979 Founder's Award was presented to Mr. Darell Pribyl, Year Book Adviser at Milbank High School.

MUSIC

ALL-STATE CHORUS AND ORCHESTRA

The 1979 All-State Chorus and Orchestra returned to the Watertown Civic Arena on November 2-3, 1979. The statistics for the music event are as follows:

Chorus Personnel	912
Schools represented in the Chorus	170
Orchestra Personnel	118
Schools represented in the Orchestra	21

The director for the All-State Orchestra was Thomas Lewis. He is the conductor of the Sioux City Symphony. Mr. Lewis was a violinist and then the conductor of the Seventh Army Symphony Orchestra. He has conducted several symphony orchestras throughout the United States and has been very active as a director and conductor at various All-State Clinics in North Carolina, New Mexico and Minnesota.

The guest conductor for the Chorus was Dr. Eph Ehly, Chairman of Choral Studies at the University of Missouri-Kansas City Conservatory of Music. He has conducted over 15 All-State Festival Choirs and has cliniced or lectured in over 30 states in the United States.

Competition on the local level determines which students will attend the Chorus. Each school may send one or more quartets based on the enrollment of the school. The Orchestra members were selected by auditions which included performance and a written test.

The South Dakota Music Educators' Association cooperated with the SDHSAA in planning and operating this All-State Chorus and Orchestra.

ALL-STATE BAND

The 1980 All-State Band had members from 63 different high schools when it started rehearsals in Mitchell on March 20-21-22, 1980. Again this year there were 167 student musicians in the Band under the direction of Dr. Frank Bencriscutto. There were well over 1200 students who auditioned for membership in the Band. The All-State Band spent two and one-half days in rehearsal for the Grand Concert on Saturday evening, March 22.

Dr. Frank Bencriscutto is Director of Bands at the University of Minnesota, Minneapolis, Minnesota. His background includes a great deal of professional performing, conducting, arranging and composing. In 1977 he won the International Neil A. Kjos Memorial Award for the most significant contribution to band literature with the composition for Chorus and Band entitled "Sing A New Song." Active in CBDNA, ABA, MENC and a member of the National MENC Bicentennial Commission in '75 - '76, Bencriscutto is extremely interested in the place of music in our schools and society.

Schools represented in the 1980 All-State Band were: Rapid City Stevens with 19 students; followed by Huron with 10; Aberdeen Central had 9; Canton and Vermillion with 8; Redfield had 7; Sully Buttes-Onida, S.F. Washington and Watertown each had 6; Arlington and Yankton had 5 students each; with 4 each were Mitchell and Webster. Brookings, Groton, R.C. Central, and Wessington Springs had 3 each followed by Centerville, Flandreau, Freeman, Gregory, Hurley, Leola, Menno, S.F. Lincoln, S.F. O'Gorman, Spearfish, Stickney, and White-Deubrook with 2 each. There were thirty-four schools with one student in the Band. They were: Alcester, Armour, Baltic, Brandon Valley, Bristol, Britton, Carthage, Chamberlain, Clark, Conde, Cresbard, Dell Rapids Public, Elk Point, Faith, Gettysburg, Harrisburg, Highmore, Hitchcock, Hoven, Ipswich, Kadoka, Lake Preston, Langford, Madison, Marion, Mellette-Northwestern, Milbank, Mobridge, Parkston, Scotland, Sturgis, Tripp, Wessington, and Winner.

The last piece of information about the 1980 All-State Band, there were 85 seniors, 57 juniors, 22 sophomores, and 3 freshmen in the Band. This year 19 alternates were named. The alternates included 2 seniors, 9 juniors, 7 sophomores and 1 freshman.

REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are divided into eight regions with each region conducting music contests. Actually these contests are in the nature of a festival, as each individual or group is striving for a rating with no restrictions upon the judges as to the number of superior ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1979-80. In seven regions solo and ensemble

contests were held in February. In regions III, V and VII there were no large group contests. Region IV held both the solo and ensemble contests and large group contest on the same weekend.

SPEECH PROGRAMS FOR 1979-80

ORAL INTERPRETATION

The speech program with the largest number of students participating is the oral interpretation program. The students have six sections to choose from. The schools are divided into two classes. The Class "B" schools have their contestants start competition at the district level. The winners from the district contests move onto the division contest. At this contest, the Class "A" schools have their students enter the competition. The winners from the division level contests go to the STATE FESTIVAL. Statistics continue to show that the students from the Class "B" schools hold their own with the students from the Class "A" schools in both the division and at the State Festival.

The Timmins Fine Art Center at Huron College, Huron, South Dakota was the site for the State Oral Interpretation Festival on November 16-17, 1979. Students from nineteen Class "A" schools and from twenty-seven Class "B" schools made up the seventy-seven contestants in the State Oral Interpretation Festival this year. Of the forty-six schools, twenty had two or more contestants in the Festival. Seven of them had students who won two or more superior ratings. These schools were Aberdeen Central, Aberdeen Roncalli, Sioux Falls Lincoln, Sioux Falls O'Gorman, Sioux Falls Washington, Watertown, and Yankton. Yankton had students in each of the sections and won one first superior and four other superiors.

THE STATE ONE-ACT PLAY FESTIVAL

HURON COLLEGE

January 31 - February 1-2, 1980
