FOREWORD

This yearbook is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All statewide events in which championships are determined are summarized and listed in the order in which they occurred.

A complete file of yearbooks published gives a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a yearbook has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional yearbooks were published in 1934, 1940, 1942 and 1946. Each covered the activities of more than one year. Since 1946 the yearbook has been an annual publication.

REVIEW OF SDHSAA EVENTS FOR 1980-81

This volume of the YEARBOOK contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1980-81. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-September.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

The past year was the ~~nineteenth~~ that the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The boys' athletic summaries are in the first section of the YEARBOOK, the girls' athletic summaries are in the second section, and the section on the other activities in the third section of the book.

Even though all activities are directed from a central office, these activities could not be effectively administered without the use of committees made up of dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly operated without your great help. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank the many people so efficiently serving on the numerous committees. You have done a great job and again, "Thank you!"

WHAT IS THE ACTIVITIES ASSOCIATION?

Purpose

The purpose of the South Dakota High School Activities Association is to direct and coordinate interscholastic activities carried on by the member high schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

SDHSAA Contribution to Athletics

In the good old days, anybody could play on the high school team, even the coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When game brawls and community feuds made conditions bad enough, school administrators awoke to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

History

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. E. Miller, Superintendent of Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-

balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

Organization

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership, which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least four times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

DISTINGUISHED SERVICE AWARDS

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the State Basketball Tournaments in 1977. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. The awards fall into three categories: Service Through the News Media, Service Through School Programs, and Service Through Community Support.

29th ANNUAL COACHING SCHOOL

Huron, August 11, 12, 13

Three hundred forty (340) South Dakota Coaches and Athletic Directors representing one hundred fifteen (115) high schools registered for the 1980 Summer Coaching School. Reports from those in attendance were that the Guest Clinicians from North Dakota and Minnesota, along with the local coaches that conducted the mini-sessions, all made excellent presentations. Clinicians from Minnesota were Charles Aydt, head coach of a private girls' gymnastics club in Robbinsdale; and Carol Howe-Veenstra, head volleyball coach at Tech High School in St. Cloud. Both of these clinicians had also been a part of the program in 1979. The clinicians from North Dakota were Dwite Gorder, head basketball coach at Bismarck High School; Dale Hertel, head football coach at Fargo South High School; Gelaine Orvik, head track & field coach at Fargo South High School; and Mike Schaff, head wrestling coach at Bismarck High School.

STUDENT COUNCIL

FALL AREA ONE-DAY CONFERENCES

Student Councils from four high schools served as hosts for the fall conferences held at Clark High School, Mobridge High School, Mitchell High School and the Rushmore Plaza, Rapid City. An increasing number of schools sent their council members to the conferences this year. Dr. Ron Joekel, Executive Secretary for the Nebraska Student Councils, was the Guest Consultant. He worked with the conference delegates in small groups, leading them through activities to increase their awareness of how to help student council activities in their schools be a success. Leadership suggestions, group involvement, and a deeper concern for others were the main areas covered.

1980 - 81 ALL-STATE STAFF

1980-81 All-State Journalists were chosen from participants in the Publications Institute at South Dakota State University, June, 1980.

In addition to those chosen by the institute staff, former All-Staters who had not graduated from high school in 1980 were given the opportunity to repeat as All-Staters.

In cases where a student could not attend the Publications Institute because of schedule conflicts, advisers were permitted to nominate a candidate and submit evidence of the student's qualifications.

MUSIC

ALL-STATE CHORUS AND ORCHESTRA

The 1980 All-State Chorus and Orchestra was held in the Huron Arena, November 7-8, 1980. The statistics for the music event are as follows:

Chorus Personnel	924
Schools represented in the Chorus	170
Orchestra Personnel	130
Schools represented in the Orchestra	24

The director for the All-State Orchestra was Abraham Chavez, Jr. He is widely known in the United States as a violinist, professor and conductor. He has served for the past four seasons as Musical Director/Conductor of the El Paso Symphony Orchestra and as Director of the Instrumental Division in the Music Department of the University of Texas at El Paso. He also is Musical Director/Conductor of the El Paso Symphony Orchestra and the El Paso Philharmonic Orchestra.

The guest conductor for the Chorus was Dr. Karle Erickson, Associate Professor of Music and Director of Choral Studies at Lawrence University, Appleton, Wisconsin. His B.A. Degree is from St. Olaf College, and his Master's and Doctorate are from the School of Music, University of Illinois in Champaign - Urbana. His professional experience has included teaching summer sessions at the University of Illinois, University of Denver, and University of Georgia, directing a week-long choral music festival on the island of Guam, and public school choral-general music instruction in St. James, Minnesota and Sterling, Illinois. As a conductor, adjudicator, clinician or tenor soloist, he considers his task to be that of an educator as well as a professional musician.

Competition on the local level determines which students will attend the Chorus. Each school may send one or more quartets based on the enrollment of the school. The Orchestra members were selected by auditions which included performance and a written test.

The South Dakota Music Educators' Association cooperated with the SDHSAA in planning and operating this All-State Chorus and Orchestra.

ALL-STATE BAND

The All-State Band for 1981 was composed of 167 student musicians from 62 different high schools. The Band rehearsed in the auditorium of the Washington High School, Sioux Falls for two and one-half days before presenting their con-

cert on March 28, 1981. The Band was under the direction of Dr. Harry Begian. This year some 1286 students registered to be auditioned for the Band.

Dr. Harry Begian was named Director of Bands at the University of Illinois, Urbana Campus, in 1970. Immediately prior to this appointment, he was Director of Bands at Michigan State University for three years. Before his work at Michigan State, he had been Director of Bands at Wayne State University. Begian's work at both of these universities carried forward the reputation he earned during his many years at Detroit's Cass Technical High School where he developed one of the finest high school bands in the country. During his last few years at Cass, Begian headed the Music and Performing Arts Department.

Schools represented in the 1981 All-State Band are: Rapid City Stevens with 18 students; followed by Vermillion with 13; Aberdeen Central has 9; Canton has 7; Arlington, Redfield and Sioux Falls Lincoln with 6 each; Groton, Mitchell, and Sioux Falls Washington each have 5; Britton, Huron, Sioux Falls O'Gorman and Watertown have 4 students each; The schools with 3 students each in the band are Brookings, Centerville, Onida, Wessington Springs, and Yankton. Fourteen schools have two students each in the band. They are Aberdeen Roncalli, Chamberlain, Flandreau, Freeman, Hurley, Marion, Milbank, Parkston, Rapid City Central, Scotland, Sturgis, Tripp, White-Deubrook, and Winner. There are 29 schools with one student in the Band. They are Alcester, Beresford, Brandon, Clark, Clear Lake, Colman, Conde, Cresbard, Dell Rapids, Elk Point, Faulkton, Gettysburg, Gregory, Harrisburg, Hitchcock, Hoven, Ipswich, Kadoka, Langford, Lead, Leola, Martin, Mellette, Mobridge, Presho, Spearfish, Stickney, Tulare, and Webster.

The last statistical information about the 1981 All-State Band; there are 92 seniors, 54 juniors, 16 sophomores and 5 freshmen. This year 17 alternates were named. The alternates include four seniors, five juniors, six sophomores and two freshmen.

REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are divided into eight regions with each region conducting music contests. Actually these contests are in the nature of a festival, as each individual or group is striving for a rating with no restrictions upon the judges as to the number of superior ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1980-81. In seven regions solo and ensemble contests were held in February. In regions III, V and VII there were no large group contests. Region IV held both the solo and ensemble contests and large group contest on the same weekend.

ORAL INTERPRETATION

The speech program with the largest number of students participating is the oral interpretation program. The students have six categories from which to make their selections. The schools are divided into two classes. The Class "B" schools have their contestants start competition at the district level. The winners from the district contests move on to the division contests. At this contest level, the Class "A" schools have their students enter the competition. The winners from the division level contests go to the STATE FESTIVAL. Statistics continue to show that the students from the Class "B" schools hold their own with the students from the Class "A" schools in both the division and at the State Festival.

STATISTICS

STATE ORAL INTERPRETATION FESTIVAL

Johnson Fine Arts Center
Northern State College — Aberdeen
November 21-22, 1980

The State Oral Interpretation Festival returned to the campus of Northern State College for the first time since the early 1970's. The Festival was held at the Johnson Fine Arts Center on November 21-22, 1980. Students from 20 Class "A" schools and from 23 Class "B" schools made up the 89 speakers in the Festival this year. There were 16 schools that had two or more speakers in the Festival. Six of them had students that won two or more superior ratings. These schools were Brookings, Mellette Northwestern, Sioux Falls Lincoln, Sioux Falls O'Gorman, Watertown, and Yankton. Sioux Falls O'Gorman students won three first superiors, Sioux Falls Lincoln won two first Superiors and Mobridge won one first Superior.

DEBATE

The debate team of Gregg Greenfield and James Moore won the Class "A" Debate Championship at the State Tournament held at Brookings, March 6-7, 1981. This is the second time in the history of the State Tournament that a debate team from Lincoln High School won the state championship. The last time Sioux Falls Lincoln was champion was in 1978. The Lincoln team went through the six rounds of debate without a loss. Carl Swanson is the coach of the Lincoln debate team.

The Class "B" Championship trophy was won for the first time by the team of Shannon Ackerson and Beth Thompson from Groton High School. The two girls had to debate the other Groton team of Jenny Dumire and Stacy Broman in the sixth round to determine the State Champion. The teams are coached by John Westby.

The Class "A" Runner-up trophy was awarded to the team of Kim Maass and Mary Wilde, the W-1 team from Watertown. The coach of the Watertown team is Donus Roberts.

In Class "A" the two third place teams were Scott Laqua and Greg Schweiss (W-2), Watertown and Bill Piersal and John McGreevy of Sioux Falls O'Gorman.

In Class "B" the two third place teams were Heather Schmidt and Bridget McCann (S-2) of Scotland and Alex Lennox and Renee Monnier (CL-2) of Clear Lake.
