FOREWORD

This yearbook is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All statewide events in which championships are determined are summarized and listed in the order in which they occurred.

A complete file of yearbooks published gives a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a yearbook has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional yearbooks were published in 1934, 1940, 1942 and 1946. Each covered the activities of more than one year. Since 1946 the yearbook has been an annual publication.

REVIEW OF SDHSAA EVENTS FOR 1981-82

This volume of the YEARBOOK contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1981-82. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-September.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

The past year was the twentieth that the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The boys' athletic summaries are in the first section of the YEARBOOK, the girls' athletic summaries are in the second section, and the section on the other activities in the third section of the book.

Even though all activities are directed from a central office, these activities could not be effectively administered without the use of committees made up of dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly operated without your great help. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank the many people so efficiently serving on the numerous committees. You have done a great job and again, "Thank you!"

WHAT IS THE ACTIVITIES ASSOCIATION?

Purpose

The purpose of the South Dakota High School Activities Association is to direct and coordinate interscholastic activities carried on by the member high schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

SDHSAA Contribution to Athletics

In the good old days, anybody could play on the high school team, even the coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When game brawls and community feuds made conditions bad enough, school administrators awoke to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

History

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. E. Miller, Superintendent of Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls, High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High

School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

Organization

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership, which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least four times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

DISTINGUISHED SERVICE AWARDS

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the State Basketball Tournaments in 1977. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. The awards fall into three categories: Service Through the News Media, Service Through School Programs, and Service Through Community Support.

STUDENT COUNCIL

FALL AREA ONE-DAY CONFERENCES

Student Councils from five high schools hosted the fall conferences held at Clark High School, Mobridge High School, Mitchell High School and the Rushmore Plaza, Rapid City. An increasing number of schools sent their council members to the conferences this year. Dr. Ron Joekel, Executive Secretary for the Nebraska Student Councils, was the Guest Consultant. He worked with the conference delegates in small groups, leading them through activities to increase their awareness of how to help student council activities in their schools be a success. Leadership suggestions, group involvement, and a deeper concern for others were the main areas covered.

HIGH SCHOOL PRESS

1981 ALL-STATE WINNERS IN THE HIGH SCHOOL PRESS ASSOCIATION CONTEST

"TOP OF CLASS" AWARDS

Bob Fischbach of the Omaha World Herald staff keynoted the 59th annual South Dakota High School Press Convention held on the campus of SDSU, October 12, 1981. Fischbach's topic was "Free at Last." He discussed censorship of publications in South Dakota high schools. Much of the information in his speech was based on a survey of South Dakota schools completed as part of a master's thesis at Iowa State University. Fischbach, a 1975 SDSU journalism graduate, is former editor of the Madison Leader, Madison, South Dakota. He also taught high school journalism and advised publications two years at Madison High School.

Attendance at the Convention was 1170, which is about the same as one year ago. Ninety-two schools were represented at the Convention. Highlight of the Convention was the general session where the awards were presented for newspapers and yearbooks. Seven "Top of Class" awards were presented to the schools whose combined scores for their yearbooks and newspapers were the highest in their divisions. The "Top of Class" awards were presented to the following schools:

1981 - 82 ALL-STATE STAFF

The 1981-82 All-State Journalists were chosen from participants in the Publications Institute at South Dakota State University, June 1981.

In addition to those chosen by the institute staff, former All-Staters who had not graduated from high school in 1981 were given the opportunity to repeat as All-Staters.

In cases where a student could not attend the Publications Institute because of schedule conflicts, advisers were permitted to nominate a candidate and submit evidence of the student's qualifications.

MUSIC

ALL-STATE CHORUS AND ORCHESTRA

The 1981 All-State Chorus and Orchestra was held in the Sioux Falls Arena, November 6-7, 1981. The statistics for the largest musical event in South Dakota are as follows:

Chorus Personnel	896
Schools represented in the Chorus	168
Orchestra Personnel	135
Schools represented in the Orchestra	26

The director for the All-State Orchestra was Joseph Giunta. He was born in New Jersey in 1951, graduated from Northwestern University with degrees in theory, composition and conducting. His main conducting teacher at the University was John Paynter. Since 1970, he has been a protege of Henry Mazer, Associate Conductor of the Chicago Symphony Orchestra. Giunta is in his seventh season as Music Director of the Waterloo-Cedar Falls Symphony Orchestra, a musical alliance that will stand as one of the most successful eras in the orchestra's history.

The guest conductor for the Chorus was Dr. Richard Rosewall, currently chairman of the music department of the large Evanston Township High School in Evanston, Illinois. Dr. Rosewall received his musical training at the University of Minnesota. Following vocal studies with Roy Schuessler, conducting with James

Aliteris, and musicology with Johannes Niedeck, Rosewall was granted the Ph.D. degree in 1969. In addition to his duties at the high school level, Dr. Rosewall is in demand as clinician, lecture, adjudicator and festival conductor throughout the midwest.

Competition on the local level determines which students will attend the Chorus. Each school may send one or more quartets based on the enrollment of the school. The Orchestra members were selected by auditions which included performance and a written test.

The South Dakota Music Educators' Association cooperated with the SDHSAA in planning and operating this All-State Chorus and Orchestra.

ALL-STATE BAND

The All-State Band for 1982 was composed of 166 student musicians from 56 different high schools. The Band rehearsed in the Aberdeen Civic Arena for two and one-half days before presenting the Grand Concert on March 27, 1982. The Band was under the direction of Col. Arnauld D. Gabriel. This year some 1,223 students registered to be auditioned for the All-State Band.

The guest conductor for the thirty-second All-State Band was Colonel Arnauld D. Gabriel, Conductor of the United States Air Force Band, Symphony Orchestra and the Singing Sergeants in Washington D.C. Colonel Gabriel is one of the world's most widely-traveled directors, having conducted in all 50 of the United States and in 45 countries throughout the world.

Colonel Gabriel has received many nationally known awards for his service and contributions to music in America. In June, 1974, he was the recipient of the Phi Mu Alpha Sinfonia's rarely-presented National Citation for his "significant contribution to music in America", and in December 1977, Kappa Kappa Psi, National Band Fraternity, honored him with its Distinguished Service to Music Award.

Schools represented in the 1982 All-State Band are: Rapid City Stevens with 20 students; followed by Vermillion with 14; Aberdeen Central had 11; Sioux Falls Lincoln with 8; Canton and Redfield with 7; Watertown had 6; Huron with 5; Britton, Brookings, Groton, Harrisburg, Onida-Sully Buttes, Rapid City Central, and Webster had 4 students each. The schools with three students each in the band were Arlington, Centerville, Marion, Milbank, and Mitchell. Nine schools had 2 students each in the band. They were Chamberlain, Sioux Falls Washington, Sioux Falls O'Gorman, Sturgis, Tripp, Wessington Springs, White-Deubrook, Winner and Yankton. There were 27 schools with one student in the band. They were Aberdeen Roncalli, Beresford, Clark, Clear Lake, Conde, Dell Rapids, Ethan, Freeman, Gettysburg, Gregory, Hitchcock, Hoven, Hudson, Kadoka, Lake Preston, Langford, Lead, Lemmon, Leola, Mobridge, Pierre, Platte, Revillo-Grant Deuel, Scotland, Spearfish, Wagner and Wolsey.

Another set of statistical information about the membership of the 1982 All-State Band shows that there were 44 seniors, 47 juniors, 20 sophomores and 5 freshmen. This year there were 15 alternates named. The list of alternates included six seniors, three juniors and six sophomores.

REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are divided into eight regions with each region conducting music contests. Actually these contests are in the nature of a festival, as each individual or group is striving for a rating with no restrictions

upon the judges as to the number of superior ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1981-82. In seven regions solo and ensemble contests were held in February. In regions III, V and VII there were no large group contests. Region IV held both the solo and ensemble contests and large group contest on the same weekend.

SPEECH PROGRAMS FOR 1981-82

ORAL INTERPRETATION

The speech program with the largest number of students participating is the oral interpretation program. The students have six categories from which to make their selections. The schools are divided into two classes. The Class "B" schools have their contestants start competition at the district level. The winners from the district contests move on to the division contests. At this contest level, the Class "A" schools have their students enter the competition. The winners from the division level contests go to the STATE FESTIVAL. Statistics continue to show that the students from the Class "B" schools hold their own with the students from the Class "A" schools in both the division and at the State Festival.

STATE ORAL INTERPRETATION FESTIVAL

Fine Arts Center
Huron College — Huron
November 20-21, 1981

The State Oral Interpretation Festival was held on the campus of Huron College. The Fine Arts Center serves as a good setting to hold the Festival. Mr. Avi Seaver, head of the Drama Department, was a very gracious host. Students from 25 Class "B" schools and from 13 Class "A" schools made up the 95 speakers in this year's Festival. Of the 95 speakers, 38 were rated superior. There were 17 schools that had two or more speakers in the Festival. Eight of these schools had students that won two or more superior ratings. These schools were Brookings, Huron, Milbank, Mobridge, S.F. Lincoln, S.F. Washington, Watertown and Yankton. Yankton had a student speaker in each section of the Festival and all seven were rated superior.
