FOREWORD

This Yearbook is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All statewide events in which championships are determined are summarized and listed in the order in which they occurred.

A complete file of Yearbooks published gives a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a Yearbook has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional Yearbooks were published in 1934, 1940, 1942 and 1946. Each covered the activities of more than one year. Since 1946 the Yearbook has been an annual publication.

REVIEW OF SDHSAA EVENTS FOR 1982-83

This volume of the YEARBOOK contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1982-83. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-September.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

The past year was the twenty-first that the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The boys' athletic summaries are in the first section of the YEARBOOK, the girls' athletic summaries are in the second section, and the section on the other activities in the third section of the book.

Even though all activities are directed from a central office, these activities could not be effectively administered without the use of committees made up of dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly operated without your great help. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank the many people so efficiently serving on the numerous committees. You have done a great job and again, "Thank you!"

WHAT IS THE ACTIVITIES ASSOCIATION

Purpose

The purpose of the South Dakota High School Activities Association is to direct and coordinate interscholastic activities carried on by the member high schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

SDHSAA Contribution to Athletics

In the good old days, anybody could play on the high school team, even the coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When game brawls and community feuds made conditions bad enough, school administrators awoke to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

History

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. E. Miller, Superintendent of Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls, High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

Organization

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership, which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least four times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

DISTINGUISHED SERVICE

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the State Basketball Tournaments in 1977. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. The awards fall into three categories: Service Through the News Media, Service Through School Programs, and Service Through Community Support.

HIGH SCHOOL PRESS
1982 ALL-STATE WINNERS IN THE HIGH SCHOOL
PRESS ASSOCIATION CONTEST
"TOP OF CLASS AWARDS"

Bob Fischbach of the Omaha World Herald staff keynoted the 60th Anniversary South Dakota High School Press Convention held on the campus of SDSU, October 11, 1982. Fischbach's keynote address was "High School Press, Born Again at 60." Fischbach, who is on the editorial staff of the Omaha World Herald set a precedent as the first speaker to return as a keynoter for the Convention. As a professional journalist he is qualified to speak on press issues and his background in high school journalism provided an insight that was of particular interest to high school students. A native South Dakotan, he attended high school in South Dakota; earned degrees at South Dakota State University and Iowa State University; taught journalism at Madison High School; and served as editor of the Madison Daily Leader.

Attendance at the Convention was approximately 1400, up more than 200 from 1981's total. Ninety-six schools were represented at the Convention. Highlight of the general session was the presenting of awards for newspapers and yearbooks. Six "Top of Class" awards combined scores for their yearbooks and newspapers were the highest in their divisions.

The "Top of Class" awards were presented to the following schools:

FOUNDER'S AWARD WINNER

The 1982 Founder's Award was presented to Mary Jewel Ledbetter, a South Dakota Native, who retired this spring after a 25-year teaching career. Mrs. Ledbetter, who taught English and advised the student newspaper staff at Riggs High School the past 15 years, has a long record of top awards won by her students in statewide competition. Before joining the Riggs staff, she taught at Belle Fourche, Newell, Fort Pierre, and Black Hills State College.

In addition to teaching, she has served on the Pierre Board of Education; was honored as Teacher-of-the-Year by the Pierre Board of Education in 1978 and by the National Honor Society in 1980; and was elected to the Annie B. Talent Club.

Her contributions to journalism in South Dakota include serving on the teaching staff for high school journalism workshops at South Dakota State University; sponsorship of regional workshops; and encouragement of students interested in journalism as a career. Many of her students have gone into college journalism programs and are pursuing media careers.

The award was presented at the Advisers Luncheon of Supervisors of School Publications annual meeting held during the Annual Press Convention. There were 80 advisers attending the luncheon.

The Founder's Award is presented to a publications adviser "for outstanding service to journalism education while serving as adviser to a school publication or teaching the principles of good journalism in a South Dakota high school."

Selection is made by the Journalism Advisory Committee through open nominations by any South Dakota High School newspaper or yearbook adviser or journalism instructor.

ALL-STATE BAND

The 1983 All-State Band was held at the Rushmore Civic Center, Rapid City on March 24-25-26, 1983. REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are divided into eight regions with each region conducting music contests. Actually these contests are in the nature of a festival, as each individual or group is striving for a rating, with no restrictions upon the judges as to the number of superior ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1982-83. In seven regions solo and ensemble contests were held in February. In regions III, V and VII there were no large group contest. Region IV held both the solo and ensemble contests and large group contest on the same weekend.
