FOREWORD

This YEARBOOK is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All statewide events in which championships are determined are summarized and listed in the three sections of this book.

A complete file of YEARBOOKS published gives a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a YEARBOOK has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional YEARBOOKS were published in 1934, 1940, 1942 and 1946. Each covered the activities of more than one year. Since 1946 the YEARBOOK has been an annual publication.

REVIEW OF SDHSAA EVENTS FOR 1983-84

This volume of the YEARBOOK contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1983-84. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-September.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

The past year was the twenty-second that the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The boys' athletic summaries are in the first section of the YEARBOOK, the girls' athletic summaries are in the second section, and the Student Council, Journalism, Music and Speech are in the third section of the book.

Even though all activities are directed from the central office, these activities could not be effectively administered without the use of committees made up of dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly administered without the help of the dedicated professional educators at the local level. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank those who have served on the numerous committees.

WHAT IS THE ACTIVITIES ASSOCIATION?

Purpose

The purpose of the South Dakota High School Activities Association is to direct and coordinate interscholastic activities carried on by the member high schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

SDHSAA Contribution to Athletics

In the good old days, anybody could play on the high school team, even the coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When game brawls and community feuds made conditions bad enough, school administrators awoke to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of the SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

History

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. E. Muller, Superintendent of Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls, High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

Organization

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least six times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

DISTINGUISHED SERVICE AWARDS

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the State Basketball Tournaments in 1977. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. The awards fall into three categories: Service Through The News Media, Service Through School Programs, and Service Through Community Support.

STUDENT COUNCIL

FALL AREA ONE-DAY CONFERENCES

Student Council members from five high schools hosted the Fall One-Day Conferences held in September at Clark High School, Mitchell High School, Mobridge High School and the Rushmore Plaza, Rapid City. Dr. Ron Joekel, Executive Secretary for the Nebraska Student Councils, Lincoln, Nebraska, was the guest consultant. He divided the delegates into small groups and guided them through activities to increase their awareness of how to make the student council activities in their schools more successful. Leadership suggestions, group involvement, and a deep concern for other students were some of the areas covered during the Conferences.

HIGH SCHOOL PRESS

Lois Wolfe, manager of headquarters offices for the Journalism Education Association and the National Federation of Press Women, was the keynote speaker at the 1983 South Dakota High School Press Convention, October 10.

Wolfe spoke to almost 1,400 students and advisers at Doner Auditorium on the South Dakota State University campus at Brookings. She said that the most important decision people make every day of their lives is to strike a proper balance between freedom and discipline.

Wolfe's speech, entitled "Typewriters in Heaven," was based on her experiences in a long journalism career. She's been a magazine editor, a newspaper editor, a reporter, a newspaper publisher, a printing plant manager, an association executive and a newsletter publisher.

During the day, 40 mini-workshops were conducted by a staff of 22 journalism faculty, advisers, journalism majors, and other professionals. Awards were made for outstanding publications, scholarships were awarded, All-State Journalists were recognized and service certificates were presented to publication advisers. Attendance at the convention held at last year's levels when the South Dakota High School Journalism Association observed its 60th Anniversary. The 1983 convention was the 61st convention at SDSU.

The director for the All-State Orchestra was Marvin J. Rabin. Dr. Rabin is professor of music and director of the Wisconsin String and Orchestra Development Program for the University of Wisconsin-Extension. He also was the founding conductor of the Wisconsin Youth Symphony Orchestra.

Dr. Rabin graduated from the University of Kentucky, received his Master of Music degree from the Eastman School of Music and his doctorate degree from the University of Illinois. He has studied conducting under Fritz Mahler, Richard Burgin, and Pierre Monteux and has participated in conducting symposiums under Richard Lert, Eugene Ormandy and William Steinberg.

The Guest Conductor for All-State Chorus was Richard Edstrom. He is Director of Choral Activities at Northwestern College, St. Paul, Minnesota. He holds degrees from Northwestern College, MacPhail and the University of Minnesota.

Mr. Edstrom taught choral music in the public schools for eighteen years before accepting the position at Northwestern College. He is the author of "The Independent Singer," a music reading text.

ALL-STATE BAND

The 1984 All-State Band was held at the Huron Arena, Huron on March 22-23-24, 1984. The Band consisted of 164 students who auditioned in January with some 900 other students to vie for membership in this year's All-State Band.

Dr. John Zdechlik is a native of Minneapolis, Minnesota. He was born in 1937 and studied piano during his early years. While in high school, he became interested in jazz and soon began writing arrangements for local jazz bands. During these years he began studying trumpet and soon was busy as a professional performer and writer in the Twin Cities area. This background lead him to a career in music and in 1957 he began his studies in music at the University of Minnesota.

After teaching for two years at the secondary level, Zdechlik returned to school to study composition with composer Paul Fetler at the University of Minnesota. During this time he also worked as an associate with Frank Benciscutto, Director of Bands, at Minnesota. In 1970 he received a PhD in theory and composition.

Since 1970 Zdechlik has had numerous works commissioned and published. His music is frequently performed by high school and college groups throughout this country, as well as abroad.

Zdechlik teaches theory and conducts the College Bands at Lakewood Community College, White Bear Lake, Minnesota. He is active as a guest conductor and lecturer throughout the country.

Six schools, Groton, Lemmon, Gregory, Scotland, Wagner and Warner, each have two students in the band. Armour, Baltic, Beresford, Burke, Centerville, Custer, Eureka, Faulkton, Freeman, Gettysburg, Hecla, Highmore, Hoven, Kadoka, Lake Andes, Lake Preston, Madison, Menno, Mobridge, Rapid City Central, Redfield, Revillo, Roscoe, Selby, Spearfish, Stickney, Tripp and Alexandria have one student each.

Another set of statistical information about the membership of the 1984 All-State Band: 88 Seniors, 40 Juniors, 22 Sophomores and 14 Freshman. There were 22 alternates named this year and from this group there are five Seniors, six Juniors, seven Sophomores and four Freshmen.

REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are divided into eight regions with each region conducting music contests. Actually these contests are in the nature of a festival, as each individual or group is striving for a rating, with no restrictions upon the judges as to the number of superior ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1983-84. In seven regions solo and ensemble contests were held in February. In regions III, V and VII there were no large group contests. Region IV held both the solo and ensemble contests and large group contests on the same weekend.

SPEECH

ORAL INTERPRETATION

The speech program with the largest number of students participating is the oral interpretation program. The students have six categories from which to make their selections. The schools are divided into two classes. The Class "B" schools have their contestants start competition at the district level. The winners from the district contests move on to the division contests. At this contest level, the Class "A" schools have their students enter the competition. The winners from the division level contests go to the State Festival. Statistics continue to show that the students from the Class "B" schools hold their own with the students from the Class "A" schools in both the division and at the State Festival.
