FOREWORD

This YEARBOOK is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All statewide events in which championships are determined are summarized and listed in the three sections of this book.

A complete file of published YEARBOOKS gives a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a YEARBOOK has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional YEARBOOKS were published in 1934, 1940, 1942 and 1946. Each covered the activities of more than one year. Since 1946 the YEARBOOK has been an annual publication.

REVIEW OF SDHSAA EVENTS FOR 1986-87

This volume of the YEARBOOK contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1986-87. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-September.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

The past year was the twenty-fifth that the Association has been operated as "Activities Association" and therefore the events mentioned and summarized are all activities, not only athletics. The boys' athletic summaries are in the first section of the YEARBOOK, the girls' athletic summaries are in the second section and the Student Council, Journalism, Music and Speech are in the third section of the book.

Even though all activities are directed from the central office, these activities could not be effectively administered without the use of committees made up of interested people who are interested in seeing that the particular activity goes

Think of the many tournaments, meets and contests leading up to the state

They could not be properly administered without the help of the dedicated educational educators at the local level. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank those who have helped in the numerous committees.

WHAT IS THE ACTIVITIES ASSOCIATION?

Purpose

The purpose of the South Dakota High School Activities Association is to direct and coordinate interscholastic activities carried on by the member schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

SDHSAA Contribution to Athletics

In the good old days, anybody could play on the high school team, even a coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When gang brawls and community feuds made conditions bad enough, school administrators went to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of the SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because of earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

History

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. W. Muller, Superintendent of Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

Organization

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least six times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

DISTINGUISHED SERVICE AWARDS

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the Star Basketball Tournaments in 1977. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. Until 1983-84 the awards fell into three categories: Service Through The News Media, Service Through School Programs, and Service Through Community Support. Effective the 1985-86 school year, the categories were changed to include the following: Administrator, Board of Education Member, Coach, Contributor, Director, and Official.

35th ANNUAL COACHES CLINIC Brookings, August 12-13-14, 1986

The 1986 Summer High School Coaches Clinic was held a week earlier than in past years but that made no difference as far as registration of coaches and athletic directors which totaled 551. This figure was within ten of last year's record registration. Twenty college coaches and four out-of-state coaches were included in this number. Again, we must congratulate those coaches and athletic directors who continue to promote their profession. Joe Salem, Sioux Falls, past collegiate football coach at the University of South Dakota, Northern Arizona University and the University of Minnesota "kicked off" the clinic at a General Assembly and guest clinicians from Colorado conducted one hour sessions each day in their respective athletic areas. Reports were very favorable on the clinicians. Dr. Dave Hylland and Dr. Ken Aspaas of Sioux Valley Hospital in Sioux Falls, South Dakota Athletic Trainers Association, Fellowship of Christian Athletes, and the Dairy Council were also active participants during the clinic.

"GOLD MEDAL AWARD"

South Dakota High School Activities Association sponsored for the second year the "Gold Medal Award". To qualify to receive this "Gold Medal", an athlete must have the best time or greatest distance in each event, regardless of class. In the track events, only the best time in the finals shall be considered. For example, in the boys' 100m Dash, if the Class "AA" winner's time is :12.71, the Class "A" winner's time is :13.30 and the Class "B" winner's time is :13.07, the "Gold Medal" would be awarded to the Class "AA" champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

"GOLD MEDAL AWARD"

The South Dakota High School Activities Association sponsored for the second year a "Gold Medal Award". To qualify to receive this "Gold Medal", an athlete must have the best time or greatest distance in each event, regardless of class. In the track events, only the best time in the finals shall be considered. For example, in the Girls' 100m Dash, if the Class "AA" winner's time is :12.71, the Class "A" winner's time is :13.30 and the Class "B" winner's time is :13.07, the "Gold Medal" would be awarded to the Class "AA" champion. That individual had the fastest time in the 100 Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

STUDENT COUNCIL

FALL AREA ONE-DAY WORKSHOPS

The members from five high school student councils served as hosts at the Fall One-Day Workshops. The four area workshops were held at Rapid City, Mitchell, Mobridge and Waubay. The guest consultant was Lee Nagel, Mary College, Bismarck ND. Mr. Nagel directed the students through general leadership activities during the Workshops. The activities involved the students in methods to help each delegate increase their awareness of how to make the student council activities at their schools successful.

HIGH SCHOOL PRESS CONVENTION

The 62nd Annual South Dakota High School Press Convention was held at SDSU on October 13, 1986. The keynote speaker for the general assembly of delegates was Tena Waldson, Correspondent, Associated Press. Her address was titled "Careers in Journalism". Included in the program of this session was the awarding of scholarships to freshmen attending SDSU. The All-State Journalists for 1986-87 were introduced and presented certificates. The 1986 Publication Contest Awards were announced by Mary Ferpich and presented to the schools by Ralph Wilkinson.

At the start of the day at the Convention there was an early-bird session for both newspaper and yearbook writers, enabling the students arriving early to receive an extra session. During the morning's 40 minute workshop sessions the aspects of newspaper production, yearbook production and photography were covered. Approximately 1400 students and advisors attended the Convention. They represented about 75% of the SDHSAA membership.

During the general session of the Convention the All-State awards were presented by Ralph Wilkinson, SDHSAA. Two schools received "Top of Class" awards. This award is based on the combined scores for their yearbook and newspaper which must have received an All-State Award rating. The school with the highest combined score in each division receives "Top of Class". "Top of Class" awards were presented to:

- Class 1 - Pierre-Riggs High School
- Class 2 - None
- Class 3 - None
- Class 4 - Wessington High School
- Class 5 - None

SWEEPSTAKES AWARD

This award goes to the school that accumulates the greatest total of points in newspaper and Yearbook. Wessington High School was presented the award. The advisor for both publications at Wessington is Carol Stobbs.

FOUNDER'S AWARD WINNER

Richard Anderson, a Webb, Iowa native was named the recipient of the 1986 Founder's Award. The award is given annually to an outstanding journalism teacher in South Dakota.

Anderson has been teaching in the Yankton School District for 25 years. He has advised the high school newspaper, the Woksape, for 18 years. During that time the paper has received 13 consecutive All-State ratings for excellence.

He began teaching in the Junior High School in 1962 and stayed there until 1969. At that time the ninth graders were moved up to the high school and he accompanied them. He presently teaches Freshman Grammar and Composition, Journalism and Literature of the Great Plains.

He received his bachelor's from Morningside College in Sioux City, Iowa, in 1962 and his master's from the University of South Dakota, Vermillion in 1968. Both were in English.

Anderson is active on the Community Concert Board in Yankton, teaches a third and fourth grade Sunday School class at the United Methodist Church and is a member of a newly formed Centennial Commission. He is a member of the South Dakota Education Association and National Education Associations.

He is a past chairman of the United Way Board of Directors and has been the chairman of the Help Mobile, a group of outstanding teachers who traveled around South Dakota and presented activities which they have used in their classrooms.

Anderson has served on several committees appointed by the State Board of Education. He was named an outstanding young educator by the Yankton Jaycees. He has also been the president of the Supervisors of School Publications, served on the SDHSAA Journalism Advisory Committee and directed the Publications Institute one year.

MUSIC

ALL-STATE CHORUS AND ORCHESTRA

The 1986 All-State Chorus and Orchestra was held in the Sioux Falls Arena November 7-8, 1986. The statistics for the largest musical event in South Dakota are as follows:

Chorus Personnel.....	876
Schools represented in the Chorus	164
Orchestra Personnel	140
Schools represented in the Orchestra	23

The director for All-State Orchestra was Mr. Robert Culver from Ann Arbor Michigan. Robert Culver, Associate Professor of Music Education in The University of Michigan School of Music, is a performing violist, conductor, and string specialist. A graduate of the University of Oregon and the Eastman School of Music he has been violist with the Rochester Philharmonic, the Detroit Symphony, and the Hughes Quartet of The Ohio State University.

Professor Culver has attained an international reputation as a public school orchestra conductor and has been a key figure in the development of string orchestras throughout the United States. At The University of Michigan he has major responsibility for preparing string specialists as teachers at public school and collegiate levels. He also continues an extensive involvement as conductor of regional and all-state ensembles.

Prior to joining the Michigan faculty, Professor Culver was string specialist in the Corvallis, Oregon, Public Schools; orchestra director in the Springfield and Salem, Oregon, Public Schools; a member of the faculty of The Ohio State University and conductor of the youth orchestras in Columbus, Ohio, in conjunction with the Columbus Symphony Orchestra.

He is active internationally as a recitalist and a clinician in the development of school orchestras and string programs. In 1982, with grants to the Australian String Teachers Association from the Australian Council and the Ministries of Education of the individual Australian states, Culver began the direction of a series of far-reaching programs to remold and upgrade instrumental music teaching, from university level down to elementary school, throughout Australia.

The director for All-State Chorus was Mr. Eph Ehly of Kansas City, Missouri. Eph Ehly, Chairman of the Division of Conducting Studies at the University of Missouri-Kansas City Conservatory of Music, is among the most sought-after Choral Clinicians in this country. He has conducted over 36 All-State Festival Chorus, and as a teacher, conductor, lecturer and clinician, he has made guest appearances in over 35 states, Canada and Europe.

The popularity of his unique and enthusiastic approach to teaching is evidenced by UMKC's selection of Dr. Ehly for the Amoco Foundation's "OUTSTANDING TEACHING AWARD." In September, 1980, his alma mater, Kearney State College in Nebraska, presented him the first "OUTSTANDING ALUMNI AWARD" during its Diamond Jubilee Celebration. In 1979 the Missouri Choral Directors Association presented him with the "LUTHER SPADE CHORAL DIRECTOR OF THE YEAR AWARD" for his contributions to the choral art.

The Heritage Chorale, a select ensemble under Dr. Ehly's direction, has become recognized as one of the most outstanding collegiate choirs in the United States. Their unique and flexible sound is the result of a choral philosophy Ehly has developed through the years of secondary, collegiate and professional conducting experiences. They have toured throughout Europe and Japan.

The Kansas City Civic Chorus under Ehly's direction, performs regularly with the Kansas City Symphony, The Lyric Opera and the Kansas City Civic Orchestra. Following a performance of Berlioz's "L'Enfance du Christ" the conductor, Sarah Caldwell, spoke of the Chorus thus: ". . . the most flexible . . . the best prepared . . . perhaps the best community choir I have worked with."

Dr. Ehly is a firm believer in the solo voice, and when conducting choral groups, he strives to create an exciting sound by accepting blends rather than forcing it. Therefore, each group he conducts has its own distinctive coloration of sound, but within a framework of acceptable vocal techniques. Ehly's knowledge and experience in avant-garde choral music, i.e., music which uses advanced compositional techniques, combined with his use of present-day practices of good vocal techniques, have steadily gained acclaim for Dr. Ehly and his choirs. Dr. Ehly is a past recipient of two faculty grants which took him to France, England, Sweden, Denmark, Germany, Italy, Poland, Soviet Union, Austria and Switzerland. While in these countries, he studied choral music which utilizes advanced compositional techniques.

He received his Doctor of Musical Arts degree from the University of Colorado and his MM degree from George Peabody College, Nashville, Tennessee. His BA degree is from Kearney State College in Kearney, Nebraska. Notable teachers he has studied with include: Robert Bays, Jean Berger, Julius Hereford, Warner Imig, George Lynn, Louis Nicholas, Vincent Persichetti and Lynn Whitten.

Presently, Ehly teaches graduate classes at UMKC which offers the DMA and MM degrees in Choral Conducting. UMKC offers an active summer choral program in which the choral division sponsors numerous workshops, among them the NATIONAL CHORAL SYMPOSIUM with leading teachers and conductors from all over the world.

ALL-STATE BAND

The 1987 All-State Band was held at Riggs Theatre, Pierre on March 26-27-28. The band consisted of 167 students who auditioned in January with some 949 students to few for membership in this year's All-State Band. This year's All-State Band, was under the direction of Mr. Larry Curtis, University Wind Symphony, California State University, Long Beach.

Mr. Curtis is Director of Bands and conductor of the University Wind Symphony at California State University, Long Beach. He is internationally recognized as one of the foremost wind ensemble conductors on the current scene. With 27 years of professional experience to his credit, Mr. Curtis has conducted over 70 performances in Europe, the Orient, and Australia, including a live concert broadcast from the prestigious radio studio of Suisse Romane Radio in Geneva, Switzerland, and a digital recording released in 1981 by CBS-Sony of Japan. In 1983, he received a grant from Yamaha International to conduct and co-produce, with saxophone artist Leo Kottis, a televised musical special entitled, "The Saxophone Experience." Mr. Curtis recently completed a book, co-authored with David L. Kuehn, entitled A Guide to Successful Instrumental Conducting. His accomplished style and technique as a professional musician and educator has merited invitations as a guest conductor/clinician in music camps, directors workshops, and conducting symposiums. His fresh interpretations and the ability to achieve full tonal colors from wind performance organizations provide his audiences with a unique listening experience. Mr. Curtis holds honorary membership in Phi Mu Alpha, Kappa Kappa Psi and Pi Kappa Lambda, and in addition to being Past-president of the Western Division of the College Band Directors National Association, is also member of the American Bandmasters Association. In 1980, the California State University, Long Beach Associated Students acknowledged Mr. Curtis' contributions to education by designating him "Professor of the Year."

This year's band has representation from 53 schools. The schools and the number of students from each school are as follows:

Brookings-15, Rapid City Stevens-12, Canton-11, Aberdeen Central-10, Sioux Falls Lincoln-10, Vermillion-8, Watertown-7, Rapid City Central-6, Groton-6, Webster-5, Freeman-4, Clear Lake-4, Leola-4, Gregory-4, Yankton-4, Arlington-3, Sioux Falls Washington-3, Huron-3, Parkston-3, Hoven-3, Madison-3, Marion-3, Harrisburg-3, Redfield-2, Chamberlain-2, Hill City-2, Lake Preston-1, Sturgis-1, Lennox-1, Plandreau-1, Milbank-1, Highmore-1, Conde-1, Beresford-1, Winner-1, Hartford-1, Jessington Springs-1, Sioux Falls O'Gorman-1, Hot Springs-1, Tulare-1, Irene-1, Tripp-1, Wagner-1, Chester-1, Dell Rapids-1, Eureka-1, Mitchell-1, Onida-1, Ipswich-1, Custer-1, Brandon Valley-1, Sioux Falls Patrick Henry Jr. High-1, Sioux Falls Hitter-1, Rapid City South Jr. High-1.

REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are divided into eight regions with each region conducting music contests. Actually these contests are in the nature of a festival, as each individual or group is striving for a rating, with no restrictions upon the judges as to the number of superior ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1986-87. In seven regions solo and ensemble contests were held in February. In regions III, V and VII there were no large group contests. Region IV held both the solo and ensemble contests and large group contests on the same weekend.

SPEECH

ORAL INTERPRETATION

The speech program with the largest number of students participating is the oral interpretation program. The students have six categories from which to make their selections. The schools are divided into two classes with each class having its own State Festival. The Class "B" schools have their contestants start competition at the district level. The winners from the district contests move on to the regional contests. It is at the regional level, the Class "A" schools have their students start the competition. The winners from a regional level contest go to either the Class "A" State Festival or the Class "B" State Festival.
