# FOREWORD

---

This YEARBOOK is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All statewide events in which championships are determined are summarized and listed in the three sections of this book.

A complete file of published YEARBOOKS gives a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a YEARBOOK has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional YEARBOOKS were published in 1934, 1940, 1942 and 1946. Each covered the activities of more than one year. Since 1946 the YEARBOOK has been an annual publication.

## REVIEW OF SDHSAA EVENTS FOR 1987-88

This volume of the YEARBOOK contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1987-88. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-September.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

The past year was the twenty-sixth that the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The boys' athletic summaries are in the first section of the YEARBOOK, the girls' athletic summaries are in the second section, and the Student Council, Journalism, Music and Speech are in the third section of the book.

Even though all activities are directed from the central office, these activities could not be effectively administered without the use of committees made up of dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly administered without the help of the dedicated professional educators at the local level. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank those who have served on the numerous committees.

# WHAT IS THE ACTIVITIES ASSOCIATION?

## Purpose

The purpose of the South Dakota High School Activities Association is to direct and coordinate interscholastic activities carried on by the member high schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

## SDHSAA Contribution to Athletics

In the good old days, anybody could play on the high school team, even the coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When game brawls and community feuds made conditions bad enough, school administrators awoke to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of the SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

## History

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. E. Muller, Superintendent of Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

#### Organization

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least six times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

# DISTINGUISHED SERVICE AWARDS

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the State Basketball Tournaments in 1977. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. Until 1983-84 the awards fell into three categories: Service Through The News Media, Service Through School Programs, and Service Through Community Support. Effective the 1985-86 school year, the categories were changed to include the following: Administrator, Board of Education Member, Coach, Contributor, Director, and Official.

## 36th ANNUAL COACHES CLINIC

Aberdeen, July 30 - August 1, 1987

Registration for the 1987 South Dakota High School Activities Association "Free" sponsored Coaches Clinic was less than the past two years attendance but still was able to reach the 500 total. Having the clinic a few days earlier than in past years may have not permitted some coaches to attend because of Summer School, summer recreation programs, and other jobs. The "Opening" Assembly included a SDHSAA High-light Video Presentation (see other section of this Newsletter for availability of this video to the schools) and a TARGET film featuring Isaiah Thomas, Detroit Pistons basketball player, titled "No Matter How You Say It...Say No." Guest clinicians from Montana were well received by the coaches along with those coaches from South Dakota who conducted the mini-sessions for each sport.

# "GOLD MEDAL" AWARD RECIPIENTS

The South Dakota High School Activities Association sponsored for the third year the "Gold Medal Award". To qualify to receive this "Gold Medal", an athlete must have the best time or greatest distance in each event, regardless of class. In the track events, only the best time in the finals shall be considered. For example, in the Girls' 100m Dash, if the Class "AA" winner's time is :12.71, the Class "A" winner's time is :13.30 and the Class "B" winner's time is :13.07, the "Gold Medal" would be awarded to the Class "AA" champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

# "GOLD MEDAL" AWARD RECIPIENTS

The South Dakota High School Activities Association sponsored for the third year the "Gold Medal Award". To qualify to receive this "Gold Medal", an athlete must have the best time or greatest distance in each event, regardless of class. In the track events, only the best time in the finals shall be considered. For example, in the Girls' 100m Dash, if the Class "AA" winner's time is :12.71, the Class "A" winner's time is :13.30 and the Class "B" winner's time is :13.07, the "Gold Medal" would be awarded to the Class "AA" champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

The director for All-State Orchestra was Betty Suber Whiton from Albuquerque, New Mexico. Betty Suber Whiton is currently the Principal Double Bassist with the Albuquerque Opera Theater/Opera Southwest as well as a Music Therapist and School Psychologist with the Albuquerque Public Schools.

Music education and performance are important facets of the varied and expanded career of Mrs. Whiton. She has conducted clinics, camps, and judged throughout the southwest and midwest with university, high school, and middle school students including the Rapid City Mid-School Orchestra Festival. She has taught and conducted instrumental and choral music groups from elementary to post graduate university levels. She was the founder of the Albuquerque Christian Symphony. She has also been a guest conductor for the Albuquerque Philharmonia and the New Mexico Symphony Orchestra.

She has performed as Principal Double Bassist with the New Mexico Symphony, Albuquerque Opera Theater/Opera Southwest, New Mexico Sinfonietta, Chamber Orchestra of Albuquerque, New Mexico Chamber Orchestra, Orchestra of Santa Fe, and Ballet Southwest for 22 years and also performed with the Santa Fe Opera, San Francisco Ballet Company, and the World Symphony Orchestra. As one of New Mexico's authorities on Music Therapy, she has developed a "Wellness Concept" of counseling and health for the elementary schools utilizing non-verbal therapies (including art, music, drama, and play therapy) as well as behavioral and cognitive therapies for the older children and their families.

The director for All-State Chorus was Dr. Douglas R. McEwen, Tempe, Arizona. With a bachelor's degree from Bowling Green State University, a master's degree from Indiana University and a doctorate from the University of Northern Colorado, Dr. McEwen's background is rich in the areas of both teaching and performance. He began his teaching and conducting career in California, first in the public schools and for four years at LaVerne College. Moving to Colorado he was, for three years, Director of Choral Activities at the University of Northern Colorado, followed by six years in the same capacity at the University of New Mexico, Albuquerque.

Now, as Director of Choirs at Arizona State University, Tempe, Dr. McEwen is guiding students through choral experiences from the undergraduate through the doctoral levels.

In wide demand as conductor and choral clinician, Dr. McEwen has in recent years conducted more than fifty all-state choirs and many more festival choruses from coast to coast. He has served as assistant director of the Meadowbrook Choral Institute and has appeared as guest conductor with the Minnesota Symphony and the Phoenix Symphony. As assistant conductor and soloist, he toured the Middle East and Europe with the Roger Wagner Chorale. ## REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are divided into eight regions with each region conducting music contests. Actually these contests are in the nature of a festival, as each individual or group is striving for a rating, with no restrictions upon the judges as to the number of superior ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1987-88. In seven regions solo and ensemble contests were held in February. In regions III, V and VII there were no large group contests. Region IV held both the solo and ensemble contests and large group contests on the same weekend.
