SUPPORT SPORTSMANSHIP

FORWARD

This **YEARBOOK** is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All state-wide events in which championships are determined are summarized and listed in the three sections of this book.

The **YEARBOOKS** give a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a **YEARBOOK** has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional **YEARBOOKS** were published in 1934, 1940, 1942, and 1946. Each covered the activities of more than one year. Since 1946 the **YEARBOOK** has been an annual publication.

REVIEW OF SDHSAA EVENTS FOR 1990-91

This volume of the **YEARBOOK** contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1990-91. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-September.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

The past year was the twenty-eighth that the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The boys' athletic summaries are in the first section of the **YEARBOOK**, the girls' athletic summaries are in the second section, and the Student Council, Journalism, Music and Speech are in the third section of the book.

Even though all activities are directed from the central office, these activities could not be effectively administered without the use of committees made up of dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly administered without the help of the dedicated professional educators at the local level. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank those who have served on the numerous committees.

WHAT IS THE ACTIVITIES ASSOCIATION?

Purpose:

The purpose of the South Dakota High School Activities Association is to direct the coordinate interscholastic activities carried on by the member high schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

DHSAA Contribution to Athletics:

In the good old days, anybody could play on the high school team, even the coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When game brawls and community feuds made conditions bad enough, school administrators awoke to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of the SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

History:

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. E. Muller, Superintendent, Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

Organization:

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least six times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

DISTINGUISHED SERVICE AWARDS

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the State Basketball Tournaments in 1978. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. Until 1983-84 the awards fell into three categories: Service through the News Media, Service through School Programs, and Service through Community Support. Effective the 1985-86 school year, the categories were changed to include the following: Administrator, Board of Education Member, Coach, Contributor, Director, and Official. In 1991, the original Distinguished Service Award list was merged into a single listing by utilizing the 1985-86 categories.

39th ANNUAL COACHES CLINIC

Aberdeen, July 25-27, 1990

Registration for the South Dakota High School Activities Association sponsored "Free Coaches Clinic" continues to be over 550 and majority of the South Dakota high school coaches are to be congratulated for their effort and interest to be in attendance. It is recognized that some coaches cannot attend all three days but their presence indicates they want to improve on their knowledge of a sport and they do want to socialize with their peers.

Featured speakers during the clinic were John "Jack" Roberts, Executive Director of the Michigan High School Athletic Association; Jackie Berning, Nutrition Consultant for United States Swimming, the Denver Bronco football team, and the University of Colorado Athletic Department; and Chuck Stiggins, strength and conditioning coach for Brigham Young University Athletic Department. North Dakota high school coaches were the guest clinicians for the sports of basketball, football, gymnastics, track & field, volleyball, and wrestling. Nate Thompson, Director of the Brookings NJTL program, conducted two sessions for those tennis coaches in attendance.

"GOLD MEDAL" AWARDS

The South Dakota High School Activities Association has sponsored the "Gold Medal Award" since 1986. To qualify to receive this "Gold Medal", an athlete must have the best time or greatest distance in each event, regardless of class. In the track events, only the best time in the finals shall be considered. For example, in the Girls' 100m Dash the Class "AA" winner's time is :12.71, the Class "A" winner's time is :13.30 and the Class "B" winner's time is :13.07, the "Gold Medal" would be awarded to the Class "A" champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

High School Activities: Lessons For A Lifetime

STUDENT COUNCIL

AREA STUDENT LEADERSHIP WORKSHOPS

The 1990-91 SDHSAA Area Student Leadership Workshops were redesigned from the Workshops of previous years. The schedule for each Workshop included an opportunity for students to exchange project activities with participants of other schools. The main thrust of the schedule for each Workshop was sessions designed to increase the awareness of each individual in their own potential as a leader. These sessions, each featuring different consultants, included presentations on "Leadership", "Problem Solving", "Emerging Leaders" and "Student Council Organization and Activities" as well as the swap shop of ideas from each school. Guest consultants included Dr. James Beddow, Jean Beddow and Kermit Culver at Mitchell; Dr. Charles Lein, Dr. Frank Buzzetta and Mike Clapham at Rapid City; David Reizes and Dr. James Zeman at Aberdeen and Jack Holmquest at Watertown. Assisting at each workshop were various state and regional South Dakota Student Council Association Officers including State SDSCA President Michelle Sundall, National Representative Christi Jo Anderson and Principal Ivan Dixon.

Hosting the Workshops were Student Council members from Mitchell High School - Terry Aslesen, Advisor; Rapid City Central High School - Mark Farrand, Advisor; Aberdeen Central High School - Gene Brownell, Advisor and Watertown High School - Glenn Robel, Advisor.

OUTSTANDING STUDENT COUNCIL RECOGNITION AWARDS

During the 1990-91 school year, the SDHSAA initiated a project to recognize "Outstanding Student Councils" in South Dakota. The project primarily consists of a self-evaluation by each participating Student Council. It is the desire of the SDHSAA to give those Councils who meet the specified criteria the praise and recognition they deserve for having a well rounded program which is of benefit to their school, their community and the state.

1990 HIGH SCHOOL PRESS CONVENTION

South Dakota State University, Brookings

October 8, 1990

The 1990 High School Press Convention, held on the SDSU campus October 8, was judged to be successful. Sixty-five schools were represented by 782 students and advisers.

During the day, the students and advisers were involved in a variety of activities. Initial activities for the participants provided opportunity to attend one or more of the 32 instructional sessions offered during the day. The sessions covered the various phases of journalistic activity involving newspapers, yearbooks and photography. Included in the activities were special sessions for advisers on the use of the computer with high school publications.

The general session began at 1:30. Dr. Richard Lee, Head of the Department of Journalism, at SDSU, welcomed the students and advisers. He introduced, Dale Blegen, Owner and Publisher of the DE SMET NEWS. Mr. Blegen spoke on the trials and benefits of publishing a small town weekly newspaper.

Competition on the local level determines which students will attend All-State Chorus. Each school may send one or more quartets based on the enrollment of the school. The 148 members of the All-State Orchestra were selected from the 291 students that competitively auditioned for the Orchestra. The auditions included both performance and written tests.

DR. PAUL TORKELSON, ALL-STATE GUEST CONDUCTOR

Dr. Paul Torkelson is currently head of Choral Activities at Wartburg College in Waverly, Iowa. He earned his Bachelor of Music Education degree from Wartburg College, a Master of Music degree from Kansas State University and his DMA from the University of Colorado in Boulder.

W. FRANCIS MCBETH, GUEST CONDUCTOR OUACHITA UNIVERSITY ARKADELPHIA, ARKANSAS

Dr. McBeth (1933-) is Professor of Music, Resident Composer and Chairman of the Theory-Composition Department at Ouachita University (pronounced wash-i-taw) in Arkadelphia, Arkansas, and has held this position since 1957. Dr. McBeth was appointed to the Lena Trimble Shepperson Endowed Chair of Music by the president and trustees of Ouachita University in 1983. He was conductor of the Arkansas Symphony Orchestra in Little Rock for many years until his retirement in 1973, whereupon he was elected Conductor Emeritus in honor of his work with this professional orchestra.

... outstanding of his awards have been the Presley Award at Hardin-Simmons University, the Howard Hanson Prize at the Eastman School of Music for his Third Symphony in 1963, recipient of an ASCAP Special Award each consecutive year from 1965 to present, the American School Band Directors Association's Edwin Franko Goldman Award in 1983, elected Fellow of the American Wind and Percussion Artists by the National Band Association in 1984, National Citation from Phi Mu Alpha Sinfonia Fraternity in 1985, Phi Mu Alpha Sinfonia's American Man of Music in 1988, and Kappa Kappa Psi's National Service to Music Award in 1989. He is a member of the American Bandmasters Association, National Band Association, Phi Beta Mu, Kappa Kappa Psi, Phi Mu Alpha and American Society of Composers, Authors and Publishers. His entire published catalog (music and books) is published by Southern Music Company of San Antonio, Texas. His publications include works for all media, choral, chamber, orchestral and band. As a player, McBeth has performed in Germany, France, Italy, England, Scotland and Iceland. As a composer, he has consistently been in the top group of the most performed American symphonic wind composers the past twenty years, and as a conductor and lecturer, he travels nine months of the year and has conducted in 47 of the 50 states, Canada and Japan.

REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are placed into eight regions for the purpose of conducting music contests. These contests are structured as festivals, whereby each individual or group is striving for a rating. There are no restrictions upon the judges as to the number of Division I ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1990-91. The contests were scheduled during the months of January through May. Each region held a solo and ensemble contest for both vocal and instrumental music. With the exception of Region 5, all regions also held a large group contest which involved both vocal and instrumental groups.

SPEECH

ORAL INTERPRETATION

The most

The speech program with the largest number of students participating is the Oral Interpretation program. The students may participate in any one of the six categories available in the program. The schools are divided into two classes with each class having its own State Festival. Contestants from the Class "B" schools begin competition at the district level. The winners from the Class "B" district contests advance on to a region contest. It is at the regional level that students from Class "A" schools have their initial competition. The winners from the regional level contests go to either the Class "A" State Festival or the Class "B" State Festival.

ONE-ACT PLAYS

Schools participating in the One-Act play program are divided into two classes. The Class "B" schools initiate competition at the region level. The winners from the Class "B" region contests advance to the State Festival. If there are more than sixteen Class "A" schools involved in the program, the Class "A" schools will follow the same steps of advancement to the State Festival as the Class "B" schools with competition starting at the region level. If there are sixteen or fewer Class "A" schools involved in the program, these schools automatically qualify for the State Festival. In 1990-91, Class "A" schools presented plays which were humorous in nature while Class "B" schools presented plays which were serious.

DEBATE AND INDIVIDUAL EVENTS

Schools participating in the Debate and Individual Events program are divided into two classes. Class "AA" represents the largest sixteen member schools while Class "A" involves all other schools after the largest sixteen schools. Any member school wishing to participate can directly enter the State Tournament in either debate or individual events without the necessity of participating in a regional tournament. The 1991 State Tournament marked the second year of this format for Debate and Individual Events. The 1991 State Tournament crowned the 77th State Debate Champions for South Dakota. The Tournament also marked the 65th year for Extemporaneous speaking competition, the 57th year of competition in Original Oratory and the 11th year of Lincoln-Douglas Debate competition.
