## FORWARD

This **YEARBOOK** is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All state-wide events in which championships are determined are summarized and listed in the three sections of this book.

The **YEARBOOKS** give a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a **YEARBOOK** has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional **YEARBOOKS** were published in 1934, 1940, 1942, and 1946. Each covered the activities of more than one year. Since 1946 the **YEARBOOK** has been an annual publication.

### REVIEW OF SDHSAA EVENTS FOR 1991-92

This volume of the **YEARBOOK** contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1991-92. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-April.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

Going back to the 1931-32 school year, the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The boys' athletic summaries are in the first section of the **YEARBOOK**, the girls' athletic summaries are in the second section, and the Student Council, Journalism, Music and Speech are in the third section of the book.

Even though all activities are directed from the central office, these activities could not be effectively administered without the use of committees made up of dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly administered without the help of the dedicated professional educators at the local level. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank those who have served on the numerous committees.

## WHAT IS THE ACTIVITIES ASSOCIATION?

### **Purpose:**

The purpose of the South Dakota High School Activities Association is to direct the coordinate interscholastic activities carried on by the member high schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

### **SDHSAA Contribution to Athletics:**

In the good old days, anybody could play on the high school team, event the coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When game brawls and community feuds made conditions bad enough, school administrators awoke to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of the SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

### **History:**

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. E. Muller, Superintendent, Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

### **Organization:**

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least six times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

## DISTINGUISHED SERVICE AWARDS

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the State Basketball Tournaments in 1978. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. Until 1983-84 the awards fell into three categories: Service through the News Media, Service through School Programs, and Service through Community Support. Effective the 1985-86 school year, the categories were changed to include the following: Administrator, Board of Education Member, Coach, Contributor, Director, and Official. In 1991, the original Distinguished Service Award list was merged into a single listing by utilizing the 1985-86 categories.

Our congratulations and thanks to those who were present for one day, two days or all three days of the Clinic. They have bettered themselves in their profession. Four of the guest clinicians were from Colorado along with Bob Olson, Northern State University, for basketball and Gene Luke, All American Gymnastics Academy, from Sioux Falls. The Colorado clinicians were Lyle Wells, Salida, in football; Susan Snyder, Simla, Volleyball; T.J. Henderson, Aurora, Track & Field; and Steve Linsacum, Montrose, Wrestling. All clinicians were well received and are to be congratulated for making their presentations so interesting and helpful.

Featured speakers were Bob Bozied, Augustana College, whose topic was "Motivating Your Athletes"; FCA Luncheon speaker was Richard "Pastor Pete" Peterson, Augustana College; Aimee Olson, Clinical Dietitian at St. Luke's Midland Regional Medical Center in Aberdeen, had a session on Nutrition for Sports; LeeRoy Strong, Head Trainer/HPER Instructor at Northern State University, represented the South Dakota Athletic Trainers Association for two sessions of the Clinic; and last but not least was Bernie Saggau, Executive Director of the Iowa High School Athletic Association, who was the luncheon speaker sponsored by the All Star Committee of Aberdeen.

## "GOLD MEDALS" AWARD RECIPIENTS

The South Dakota High School Activities Association sponsored for the fourth year the "Gold Medal Award". To qualify to receive this "Gold Medal", an athlete must have the best time or greatest distance in each event, regardless of class. In the track Boys' 100m Dash, if the Class "AA" winner's time is :11:26, the Class "A" winner's time is :14:40 and the Class "B" winner's time is :11:47, the "Gold Medal" would be awarded to the Class "AA" champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

## "GOLD MEDAL" AWARDS

The South Dakota High School Activities Association has sponsored the "Gold Medal Award" since 1986. To qualify to receive this "Gold Medal", an athlete must have the best time or greatest distance in each event, regardless of class. In the track events, only the best time in the finals shall be considered. For example, in the Girls' 100m Dash, if the Class "AA" winner's time is :12.71, the Class "A" winner's time is :13.30 and the Class "B" winner's time is :13.07, the "Gold Medal" would be awarded to the Class "AA" champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

## STUDENT COUNCIL

### AREA STUDENT COUNCIL LEADERSHIP WORKSHOPS

The 1991-92 SDHSAA Area Student Leadership Workshops were designed to promote interaction between student leaders from high schools throughout the state. The schedule for each Workshop was composed of sessions designed to increase the awareness of each student participant in their own potential as a leader as well as providing an opportunity to meet other student leaders. These sessions, each featuring different consultants, included presentations on "Situational Leadership and Delegation of Task", "Conflict Resolution" and "Project Planning" as well as a swap shop of ideas from each school. The Guest consultants included Mike Oster and Howard Smith at Brookings; Virginia Tobin and Tim Rich at Aberdeen; Al Grinsteiner at Mobridge; Dr. John Christiansen and Deb Dusseau at Mitchell; and Duane Whalen and Roger Gallimore at Rapid City. Assisting at each workshop were various state and regional South Dakota Student Council Association officers including State SDSCA President Sarah Hansen, National Representative Christi Jo Anderson and SDSCA Executive Director Ivan Dixon.

Hosting the Workshops were Student Council members from Brookings High School -Bette Gerberding, Advisor; Aberdeen Central High School-Gene Brownell, Advisor; Mobridge High School-Marcia Price, Advisor; Mitchell High School-Terry Aslesen, Advisor and Rapid City Central High School-Mark Farrand, Advisor.

### OUTSTANDING STUDENT COUNCIL RECOGNITION AWARDS

The 1991-92 school year marked the second year in which the SDHSAA sponsored the "Outstanding Student Council" recognition program for South Dakota schools. The program primarily consists of a self-evaluation by each participating Student Council. It is the desire of the SDHSAA to give those Councils praise and recognition when they meet the specified criteria. Those schools recognized with "Outstanding Students Councils" have a well rounded program which is of benefit to their school, their community and the state.

## 1991 HIGH SCHOOL PRESS CONVENTION

October 14, 1991

The 1991 High School Press Convention, held on the SDSU campus October 14, was judged to be successful. Sixty-eight schools were represented by 908 students and advisers.

During the day, the students and advisers were involved in a variety of activities and workshops. The convention featured a unique blend of learning experiences involving a combination of high school instructors, college journalism instructors and professional journalists. The sessions covered the various phases of journalistic activity involving newspapers, yearbooks and photography.

The day's activities concluded with a general session in the afternoon. The general session program included a welcome by Dr. Richard Lee, Head of the Department of Journalism at SDSU. The 142 members of the All-State Orchestra were selected from the 344 students that competitively auditioned for the Orchestra. The auditions included both performance and written tests.

In October 1971, he was awarded the honorary degree of Doctor of Arts by Augustana College, Sioux Falls, South Dakota.

In July of 1973 and 1974, Mr. Noble adjudicated at the international Festival of Three Cities (Vienna, Budapest and Prague), participating groups coming from the United States, Europe and Asia. In July of 1980, he conducted the choir for America's Youth in Concert in a tour of Europe from Rome to London, with an appearance in Carnegie Hall, New York City. At present he is on the board of International Concerts Inc., an organization involved in bringing together 10,000 choral musicians from the United States and 10,000 Soviet Union choral musicians to perform as a festival choir in Tallin, Estonia, in 1991.

Smith is founder and trombonist of the Philadelphia Brass Ensemble. As trombone and euphonium soloist, as chamber music player, and as editor and writer, his recordings and editions are internationally known. Smith was conductor of the Mendelssohn Choir of Philadelphia and for eight years was conductor of the Bach Choir of Minnesota.

Smith has been on the faculties of the Curtis Institute of Music, Indiana University, Temple University, St. Olaf, Luther and Bethel Colleges, and the University of Texas. He currently divides his time between the South Dakota Symphony and Arizona State University, where he conducts the orchestra and teaches conducting at the doctoral level. He has recently guest conducted the Phoenix Symphony, the Minnesota Orchestra, the San Antonio Symphony, the St. Paul Chamber Orchestra, the Indianapolis Symphony, the Edmonton Symphony and the Tucson Symphony.

## REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are placed into eight regions for the purpose of conducting music contests. These contests are structured as festivals, whereby each individual or group is striving for a rating. There are no restrictions upon the judges as to the number of Division I ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1991-92. The contests were scheduled during the months of February through May. Each region held a solo and ensemble contest for both vocal and instrumental music. With the exception of Regions 5 and 7, the remaining six regions also held a large group contest for their both vocal and instrumental groups.

# SPEECH

## ORAL INTERPRETATION

The speech program with the largest number of students participating is the Oral Interpretation program. The students may participate in any one of the six categories available in the program. The schools are divided into two classes with each class having its own State Festival. Contestants from the Class "B" schools begin competition at the district level. The winners from the Class "B" district contests advance on to a region contest. It is at the regional level that students from Class "A" schools have their initial competition. The winners from the regional level contests go to either the Class "A" State Festival or the Class "B" State Festival.

## DEBATE AND INDIVIDUAL EVENTS

Schools participating in the Debate and Individual Events program are divided into two classes. Class "AA" represents the largest sixteen member schools while Class "A" involves all other schools after the largest sixteen schools. Any member school wishing to participate can directly enter the State Tournament in either debate or individual events without the necessity of participating in a regional tournament. The 1992 State Tournament marked the third year of this format for Debate and Individual Events.

The 1992 State Tournament crowned the 78th State Debate Champions for South Dakota. The Tournament also marked the 66th year for Extemporaneous speaking competition, the 58th year of competition in Original Oratory and the 12th year of Lincoln-Douglas Debate competition.
