## FORWARD

This **YEARBOOK** is published annually after the close of the current school year. Its purpose is to serve as an annual report of the Executive Secretary and to provide a complete review of events sponsored during the year by the Association. All state-wide events in which championships are determined are summarized and listed in the three sections of this book.

The **YEARBOOKS** give a complete summary of the activities of the Association since it was organized in December 1905. This does not mean that a **YEARBOOK** has been published each year since 1905. The first one was published in 1927 and contained a summary of events from the beginning of the organization through the school year 1926-27. Additional **YEARBOOKS** were published in 1934, 1940, 1942, and 1946. Each covered the activities of more than one year. Since 1946 the **YEARBOOK** has been an annual publication.

### REVIEW OF SDHSAA EVENTS FOR 1992-93

This volume of the **YEARBOOK** contains complete summaries of the statewide events and business of the SDHSAA for the school year of 1992-93. The annual audit of the Association's finances is not included because of the time of the year, but the audit is published each year in the Annual Meeting Bulletin which will be issued in mid-April.

On the next few pages you will find mention of these events, with complete summaries in the proper order later in the book.

Going back to the 1931-32 school year, the Association has been operated as an "Activities Association" and therefore the events mentioned and summarized are for all activities, not only athletics. The boys' athletic summaries are in the first section of the **YEARBOOK**, the girls' athletic summaries are in the second section, and the Student Council, Journalism, Music and Speech are in the third section of the book.

Even though all activities are directed from the central office, these activities could not be effectively administered without the use of committees made up of dedicated people who are interested in seeing that the particular activity goes well. Think of the many tournaments, meets and contests leading up to the state events. They could not be properly administered without the help of the dedicated professional educators at the local level. The Board of Control, the Executive Secretary, and the Assistant Executive Secretaries wish to thank those who have served on the numerous committees.

# WHAT IS THE ACTIVITIES ASSOCIATION?

## **Purpose:**

The purpose of the South Dakota High School Activities Association is to direct the coordinate interscholastic activities carried on by the member high schools of South Dakota.

It shall have the duty and obligation to control, coordinate, and direct the operation of the interscholastic activity programs of its member schools. Among these programs shall be those in athletics, speech, music, student council, publications, and such like or related programs of activities as now or hereafter may be organized among member schools.

It shall also attempt to equalize activity opportunity by standardizing qualifications for participants, coaching and directing procedures, and treatment of visiting teams and participants in connection with activities.

## **SDHSAA Contribution to Athletics:**

In the good old days, anybody could play on the high school team, event the coach, principal, or a college athlete on vacation. Age, school status, reason for being in the district, and related factors were nobody's business. When game brawls and community feuds made conditions bad enough, school administrators awoke to the need for organized action. Since that time, not only in South Dakota but throughout the nation, state athletic and activities associations have proved their worth. Every student in every high school in the state is now assured that he competes under standards that are the same as those that exist in every other high school that voluntarily agrees to be a member of the SDHSAA.

The SDHSAA has not been developed or dominated by any outside individual or group. Rather it has been created and is being expanded by school people because earlier unfavorable experiences have proved it necessary for the welfare of the school program. The amateur spirit cannot survive pressures which develop when controls are not provided.

## **History:**

The SDHSAA was organized in 1905 for the purpose of managing and fostering high school athletics on a high plane. At that time a Board of Control of three members was chosen to administer the affairs of the Association. They were G. E. Muller, Superintendent, Hurley High School; R. L. Kirk, Superintendent, Aberdeen High School; and A. A. McDonald, Superintendent, Sioux Falls High School.

Initial concerns were primarily in track and field. During the ensuing years it became evident that the SDHSAA should assume the initiative for a well-balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics.

In 1923 the Association became a member of the National Federation of State Athletic Associations which now includes all state associations and several Canadian provinces.

Down through the years each non-athletic school activity formed its own organization. In 1961, largely through the efforts of the South Dakota High School Principals' Association, the member schools voted to become an Activities Association. This step merged all of these organizations into one association which is the present South Dakota High School Activities Association.

## **Organization:**

All memberships are voluntary. Any high school in the state, whether public, private, parochial, or institutional, if accredited by the South Dakota Division of Elementary and Secondary Education, may become a member of the Association by making formal application that is authorized by its Board of Education and by subscribing to the rules and by-laws of the Association. Membership once attained is continuous, provided the local school board enacts the annual resolution authorizing membership, the annual dues paid, and all other requirements are met.

The legislative body of the Association consists of the entire membership which meets once each year. Each member school has one vote whether the voting is done at the annual meeting or by mail ballot.

The executive body is the Board of Control, which is made up of seven members. Five of these shall be superintendents or principals of member schools and two shall be Board of Education members of member schools. The Board of Control meets at least six times each year and is charged with interpreting the Constitution and By-Laws, organizing and directing tournaments and meets, determining penalties and forfeitures for violations of rules, settling disputes, registering sports officials, establishing the state office, and employing an executive secretary and staff to administer the Association.

## DISTINGUISHED SERVICE AWARDS

The South Dakota High School Activities Association established a Distinguished Service Award program in 1976 with the first awards being presented at the State Basketball Tournaments in 1978. Purpose of the program is to recognize outstanding service to the youth of the state through various high school activities programs. Candidates for the award are nominated by the schools with the final selection being made by the Board of Control. Until 1983-84 the awards fell into three categories: Service through the News Media, Service through School Programs, and Service through Community Support. Effective the 1985-86 school year, the categories were changed to include the following: Administrator, Board of Education Member, Coach, Contributor, Director, and Official. In 1991, the original Distinguished Service Award list was merged into a single listing by utilizing the 1985-86 categories.

### **41th Annual SDHSAA Coaches Clinic** Aberdeen, July 25-27, 1992

Registration for the South Dakota High School Activities Association sponsored "Free Coaches Clinic" was at 575, a little less than a year ago, but still encouraging to know the coaches are interested in improving on the knowledge needed to advance in their profession. We again congratulate those in attendance for taking some time from their busy summer scheduels to be a part of this program.

Guest clinicians selected this year by each individual sport coaches association were Terry Shelsta, Benson High in Omaha, Nebraska for basketball; Orville Hess, Campbell County High in Gillette, Wyoming for track & cross country; Mike Mckay, Kennedy High in Bloomington, Minnesota had the football; Curt Sherbrooke, Century and Bismark High in Bismark, North Daktoa was the leader in gymnastics; Kent Prescottt, Spencer High in Spencer, Iowa for volleyball; and Gregg Greeno, St. Michael High, St. Michael, Minnesota for wrestling.

Two featured speakers included in the program were Dr. Ann Wilson, Education Sport Psychologist at SportPsych in Brookings who spoke about "Coaching the Mental Athlete" and David M. Fischbach, Employed by St. Lukes Midland Regional Medical Center in Aberdeen, whose presentation covered "What to do After an Athlete is Injured". Dr. Wilson was sponsored by the Sports Medicine Institute of Aberdeen and Mr. Fischbach represented the South Dakota Athletic Trainer Association.

## "GOLD MEDALS" AWARD RECIPIENTS

The South Dakota High School Activities Association sponsored the "Gold Medal Award" since 1986. To qualify to receive this "Gold Medal", an athlete must have the best time or greatest distance in each event, regardless of class. In the track Boys' 100m Dash, if the Class "AA" winner's time is :11:26, the Class "A" winner's time is :14:40 and the Class "B" winner's time is :11:47, the "Gold Medal" would be awarded to the Class "AA" champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

## "GOLD MEDAL" AWARDS

The South Dakota High School Activities Association has sponsored the "Gold Medal Award" since 1986. To qualify to receive this "Gold Medal", an athlete must have the best time or greatest distance in each event, regardless of class. In the track events, only the best time in the finals shall be considered. For example, in the Girls' 100m Dash, if the Class "AA" winner's time is :12.71, the Class "A" winner's time is :13.30 and the Class "B" winner's time is :13.07, the "Gold Medal" would be awarded to the Class "AA" champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

## STUDENT COUNCIL

### AREA STUDENT COUNCIL LEADERSHIP WORKSHOPS

The 1992-93 SDHSAA Area Student Leadership Workshops were designed to promote interaction between student leaders from high schools throughout the state. The schedule for each Workshop was composed of sessions designed to increase the awareness of each student participant in their own potential as a leader as well as providing an opportunity to meet other student leaders. These sessions, included presentations on "Creating Solutions for Contemporary School Problems", "Leadership Styles" and "Applying Leadership Styles To Your Student Council" as well as a "Swap Shop" of ideas from each school. The Guest consultant was Brenda Hanley, Personal Development Trainer from Clark. Assisting at each workshop were various state and regional South Dakota Student Council Association officers including State SDSCA President John Motter and SDSCA Executive Director Ivan Dixon.

Hosting the Workshops were Student Council members from Brookings High School -Bette Gerberding, Advisor; Aberdeen Central High School-Gene Brownell, Advisor; Mobridge High School-Marcia Price, Advisor; Rapid City Central High School-Earl Burnette, Advisor and Mitchell High School-Terry Aslesen, Advisor.

## **OUTSTANDING STUDENT COUNCIL RECOGNITION AWARDS**

The 1992-93 school year marked the third year in which the SDHSAA sponsored the "Outstanding Student Council" recognition program for South Dakota schools. The program consists of a self-evaluation by each participating Student Council. The intent of the program is to give those Councils that meet the specified criteria the recognition they deserve. Those schools designated as "Outstanding Students Councils" have a well rounded program which is of benefit to their school, their community and the state.

# JOURNALISM

## 1992 HIGH SCHOOL PRESS CONVENTION South Dakota State University, Brookings October 12, 1992

The 1992 High School Press Convention, held on the SDSU campus October 12, was judged to be successful. Sixty-five schools were represented by 922 students and advisers.

During the day, the students and advisers were involved in a variety of activities and workshops. The convention featured a blending of learning experiences which involved a combination of high school instructors, college journalism instructors and professional journalists. The multiple sessions covered the various phases of journalistic activity involving newspapers, yearbooks and photography.

The day's activities concluded with a general session in the afternoon. The general session program included a welcome by Dr. Richard Lee, Head of the Department of Journalism at SDSU. The session concluded with the announcement of contest results. The members of the SDHSAA Journalism Advisory Committee presented the award plaques to the winners.

## MUSIC

### ALL-STATE CHORUS AND ORCHESTRA

The 1992 All-State Chorus and Orchestra was held in the Rushmore Plaza Civic Center Arena on November 6-7, 1992. The statistics for the largest musical event in South Dakota are as follows:

Chorus Personnel .....	876
Schools represented in the Chorus .....	161
Orchestra Personnel .....	142
Schools represented in the Orchestra .....	34

Competition on the local level determines which students will attend All-State Chorus. Each school may send one or more quartets based on the enrollment of the school. The 142 members of the All-State Orchestra were selected from the 313 students that competitively auditioned for the Orchestra. The auditions included both performance and written tests.

#### DR. DAVID GREENLEE, ALL-STATE CHORUS GUEST CONDUCTOR

Dr. David W. Greenlee is the Director of Choral Activities at Eastern Kentucky University. He is the conductor of the University Singers, Concert Choir, and the Madrigals. This past spring, he stepped down as director of the Show Choir after completing 28 years that included 7 years at the high school level and 21 at the university program.

During his 12 years at ECU, the choirs have made more concert appearances at National, State, and Regional conventions than any other college in the state of Kentucky.

Dr. Greenlee is constantly in demand as a guest conductor, clinician, and adjudicator throughout the United States and Canada. He has conducted three All-State performances and some 50 state and regional festivals. The University Singers were chosen to open the 50th Anniversary of the KMEA state convention and their performance was accepted for rebroadcast on National Public Radio.

Dr. Greenlee received his undergraduate and master degrees from Ball State University, and his Doctorate from the Indiana University School of Music.

#### TIMOTHY (TERRY) DURBIN, ALL-STATE ORCHESTRA GUEST CONDUCTOR

Timothy (Terry) Durbin is an adjunct professor of violin and viola at Transylvania University in Lexington, Kentucky where he also teaches string pedagogy classes. For younger students he maintains a violin studio with The Centenary United Methodist Church School of Music where he teaches using the nurturing approach of Dr. Shininchi Suzuki.

Mr. Durbin received his Bachelor of Music degree in violin performance in 1979 from the University of Alabama and his Master of Music degree in violin performance in 1982 from the University of Illinois. He is a very sought after clinician who does workshops in the Suzuki method as well as directing orchestras, giving master classes, and performing in concert. Each year he gives over 30 such workshops and recitals (taking over 100 flights last year alone) throughout the United States and into Canada.

As a performer, Mr. Durbin has recently performed as violin soloist with the East Carolina summer workshop string orchestra and the summer workshop orchestra in Toronto, Canada and has appeared as a violin soloist in recital on two concert and lecture series, one in Topeka, Kansas and one in Jacksonville, Florida. He also appeared as a soloist this spring with the Transylvania University Orchestra. In Lexington, he also serves as concertmaster of the Lexington Bach Ensemble.

As a director this spring he has conducted youth groups in Connecticut and in Pekin, Illinois. He was the founder and director of the Lexington Community String Orchestra as well as director for the Lexington Fayette County Wide String Day. For the past three years, he has served as director of the Morehead State University Symphony Orchestra which also premiered one of his works entitled "Music in Darkness".

As a composer, Terry has just finished two works for strings. One, entitled "Overture for Violin and Orchestra" had its world premier in July of 1991 with Mr. Durbin as soloist. The other is a chamber music work for four violins entitled "Fanfare" which was also finished in 1991. Currently Terry is working on a string quartet and a suite of movements for violin quartet.

Among other activities Mr. Durbin has a book in progress entitled "Play with Love, Spirit, and Joy!" which he hopes will be available by year end. He spends his spare time with his wife, Sandy, and their two children, April and Amadeus. They all study Karate and take folk clogging dance lessons together. Terry is also an avid computer nut who plays with and programs in the Macintosh computer environment. He is also interested in aviation.

His philosophy is that life is a beautiful thing that should be enjoyed to the fullest. If we can teach our young people the joy that can come from learning and achieving, then not only have we given them a tool to use for life, we have also shown them how to enjoy the journey as well. In enjoying the journey comes fulfillment.

## REGION MUSIC CONTESTS

The schools belonging to the SDHSAA are placed into eight regions for the purpose of conducting music contests. These contests are structured as festivals, whereby each individual or group is striving for a rating. There are no restrictions upon the judges as to the number of Division I ratings which may be awarded in each category. There is no advancement to a state contest.

All eight regions held contests in 1992-93. The contests were scheduled during the months of February through May. Each region held a solo and ensemble contest for both vocal and instrumental music. With the exception of Regions 5 and 7, the remaining six regions also held a large group contest for both their vocal and instrumental groups.

## SPEECH

### ORAL INTERPRETATION

The speech program with the largest number of students participating is the Oral Interpretation program. The students may participate in any one of the six categories available in the program. The schools are divided into two classes with each class having its own State Festival. Contestants from the Class "B" schools begin competition at the district level. The winners from the Class "B" district contests advance on to a region contest. It is at the regional level that students from Class "A" schools have their initial competition. The winners from the regional level contests go to either the Class "A" State Festival or the Class "B" State Festival.

**ONE-ACT PLAYS**

Schools participating in the One-Act play program are divided into two classes. The Class "B" schools initiate competition at the region level. The winners from the Class "B" region contests advance to the State Festival. If there are more than eighteen Class "A" schools involved in the program, the Class "A" schools will follow the same steps of advancement to the State Festival as the Class "B" schools with competition starting at the region level. If there are eighteen or fewer Class "A" schools involved in the program, these schools automatically qualify for the State Festival. In 1992-93, Class "A" schools presented plays which were humorous in nature while Class "B" schools presented plays which were serious.

## DEBATE AND INDIVIDUAL EVENTS

Schools participating in the Debate and Individual Events program are divided into two classes. Class "AA" represents the largest sixteen member schools while Class "A" involves all other schools after the largest sixteen schools. Any member school wishing to participate can directly enter the State Tournament in either debate or individual events without the necessity of participating in a regional tournament.

The 1993 State Tournament crowned the 79th State Debate Champions for South Dakota. The Tournament also marked the 67th year for Extemporaneous speaking competition, the 59th year of competition in Original Oratory and the 13th year of Lincoln-Douglas Debate competition.
