## “GOLD MEDALS” AWARD RECIPIENTS

The South Dakota Activities Association sponsored the “Gold Medal Award” since 1986. To qualify to receive this “Gold Medal”, an athlete must have the best time or greatest distance in each event, regardless of class. In the track Boys’ 100m Dash, if the Class “AA” winner’s time is :11:26, the Class “A” winner’s time is :14:40 and the Class “B” winner’s time is :11:47, the “Gold Medal” would be awarded to the Class “AA” champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

## “GOLD MEDAL” AWARDS

The South Dakota High School Activities Association has sponsored the “Gold Medal Award” since 1986. To qualify to receive this “Gold Medal”, an athlete must have the best time or greatest distance in each event, regardless of class. In the track events, only the best time in the finals shall be considered. For example, in the Girls’ 100m Dash, if the Class “AA” winner’s time is :12.71, the Class “A” winner’s time is :13.30 and the Class “B” winner’s time is :13.07, the “Gold Medal” would be awarded to the Class “AA” champion. That individual had the fastest time in the 100m Dash. This award will be given to all track and field events for both boys and girls and will be given each year at the State Track and Field Meet.

## SDHSAA AREA STUDENT COUNCIL LEADERSHIP WORKSHOPS & SDS CA REGION MEETINGS

The 2000-01 SDHSAA Area Student Council Leadership Workshops & SDS CA Region Meetings were scheduled in seven regional sites during October 2000.

The Workshops were primarily designed to give students and advisors instruction in leadership techniques. The 2000-01 Workshops were organized around the theme "Everything I Needed To Know I Learned In Kindergarten And...And...". The Workshops provided a "Student Swap Shop" for students to meet other student leaders from area schools to exchanging leadership ideas and share information about student council operation and projects. The advisors had a similar session with the "Advisor's Round-Table". The schedule for each Workshop also included a South Dakota Student Council Association Region Meeting

Hosting the Workshops were Student Council Members from Harrisburg High School – Renee Rebnord, Advisor; Aberdeen Central High School – Kevin Rook, Advisor; Mobridge High School – Marcia Price, Advisor; Sturgis High School – Judy Javersak, Advisor; Mitchell High School – Judy Thiesse, Advisor; Lyman High School – Tom Authier, Advisor; and Brookings High School – Bette Gerberding, Advisor.

## OUTSTANDING STUDENT COUNCIL RECOGNITION AWARDS

The SDHSAA "Outstanding Student Council Recognition Program" was created during the 1990-91 school year as a means of recognizing those student councils that meet the program's specified criteria. Those schools receiving the "Outstanding Student Council" designation meet standards of having well rounded programs which are of benefit to their school, their community and the state. The "Outstanding" program consists of a self-evaluation of the activities and involvement by each participating student council. The 2000-01 school year marked the eleventh year of providing much deserved recognition to those councils deemed to be "Outstanding" in the State.

The 2000 Founder's Award was presented to Lois Wells, during the annual High School Press Convention on October 9. The Founders Award is presented annually in recognition of outstanding service to high school journalism through teaching the principles of good journalism.

Wells served as a teacher of English, journalism and drama at Lennox High School for 27 years. From 1972-1999, Lois was the adviser of the LENKOTA, the Lennox High School yearbook. During those 27 years the LENKOTA won numerous All-State awards and combined with the school newspaper to earn two Top of Class awards culminating with the Sweepstakes Award in 1999, an appropriate way to end her career as an adviser.

She served as a judge for her Annual Yearbook Contest for a number of years. In addition, she was a presenter at the Fall High School Press Convention and served on the SDHSAA Journalism Advisory Committee.

## REGION MUSIC CONTESTS

All SDHSAA member schools are placed into one of eight regions for the purpose of conducting music contests. These contests are structured as festivals, whereby each individual or group is striving for a "Division I Rating". The contest judges are not restricted as to the number of "Division I Ratings" which they may award in each category of the region contest. There is no advancement to a state contest.

All eight regions scheduled music contests during the 2000-01 school year. The regional contests were scheduled during the time period from January through May. Each region has the option to sponsor contests for vocal solo & ensembles, instrumental solo & ensembles and vocal & instrumental large group events. During the 2000-01 school year, all regions, except for region 5, sponsored vocal and instrumental large group contests in addition to their vocal and instrumental solo/ensemble contests.

The following is a summary of the number of schools participating in each of the region contests:

# SPEECH

## ORAL INTERPRETATION

The speech program with the largest number of participating schools is the Oral Interpretation program. Students from the participating schools may enter any of the seven categories available in the program. The schools are divided into three classes with each class having its own State Festival. The State Festivals for all three classes are held concurrently at the same site.

Contestants from the Class "B" schools begin competition at the district level. The winners from the Class "B" district contests advance on to a region contest. It is at the regional level that students from Class "A" schools have their initial competition. The winners from the regional level contests go to either the Class "A" State Festival or the Class "B" State Festival. Class "AA" schools automatically qualify for the State Festival.

# DEBATE AND INDIVIDUAL EVENTS

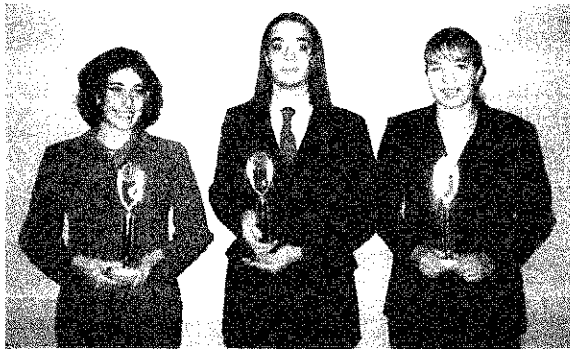

Schools participating in the Debate and Individual Events program are divided into two classes. Class "AA" represents the largest sixteen member schools while Class "A" involves all other schools after the largest sixteen schools. Any member school wishing to participate can directly enter the State Tournament in either debate or individual events without the necessity of participating in a regional tournament.

The 2001 State Tournament crowned the 87th State Policy Debate Champions for South Dakota. The Tournament also marked the 75th year for Extemporaneous speaking competition, the 67th year of competition in Original Oratory and the 21st year of Lincoln-Douglas Debate competition.
